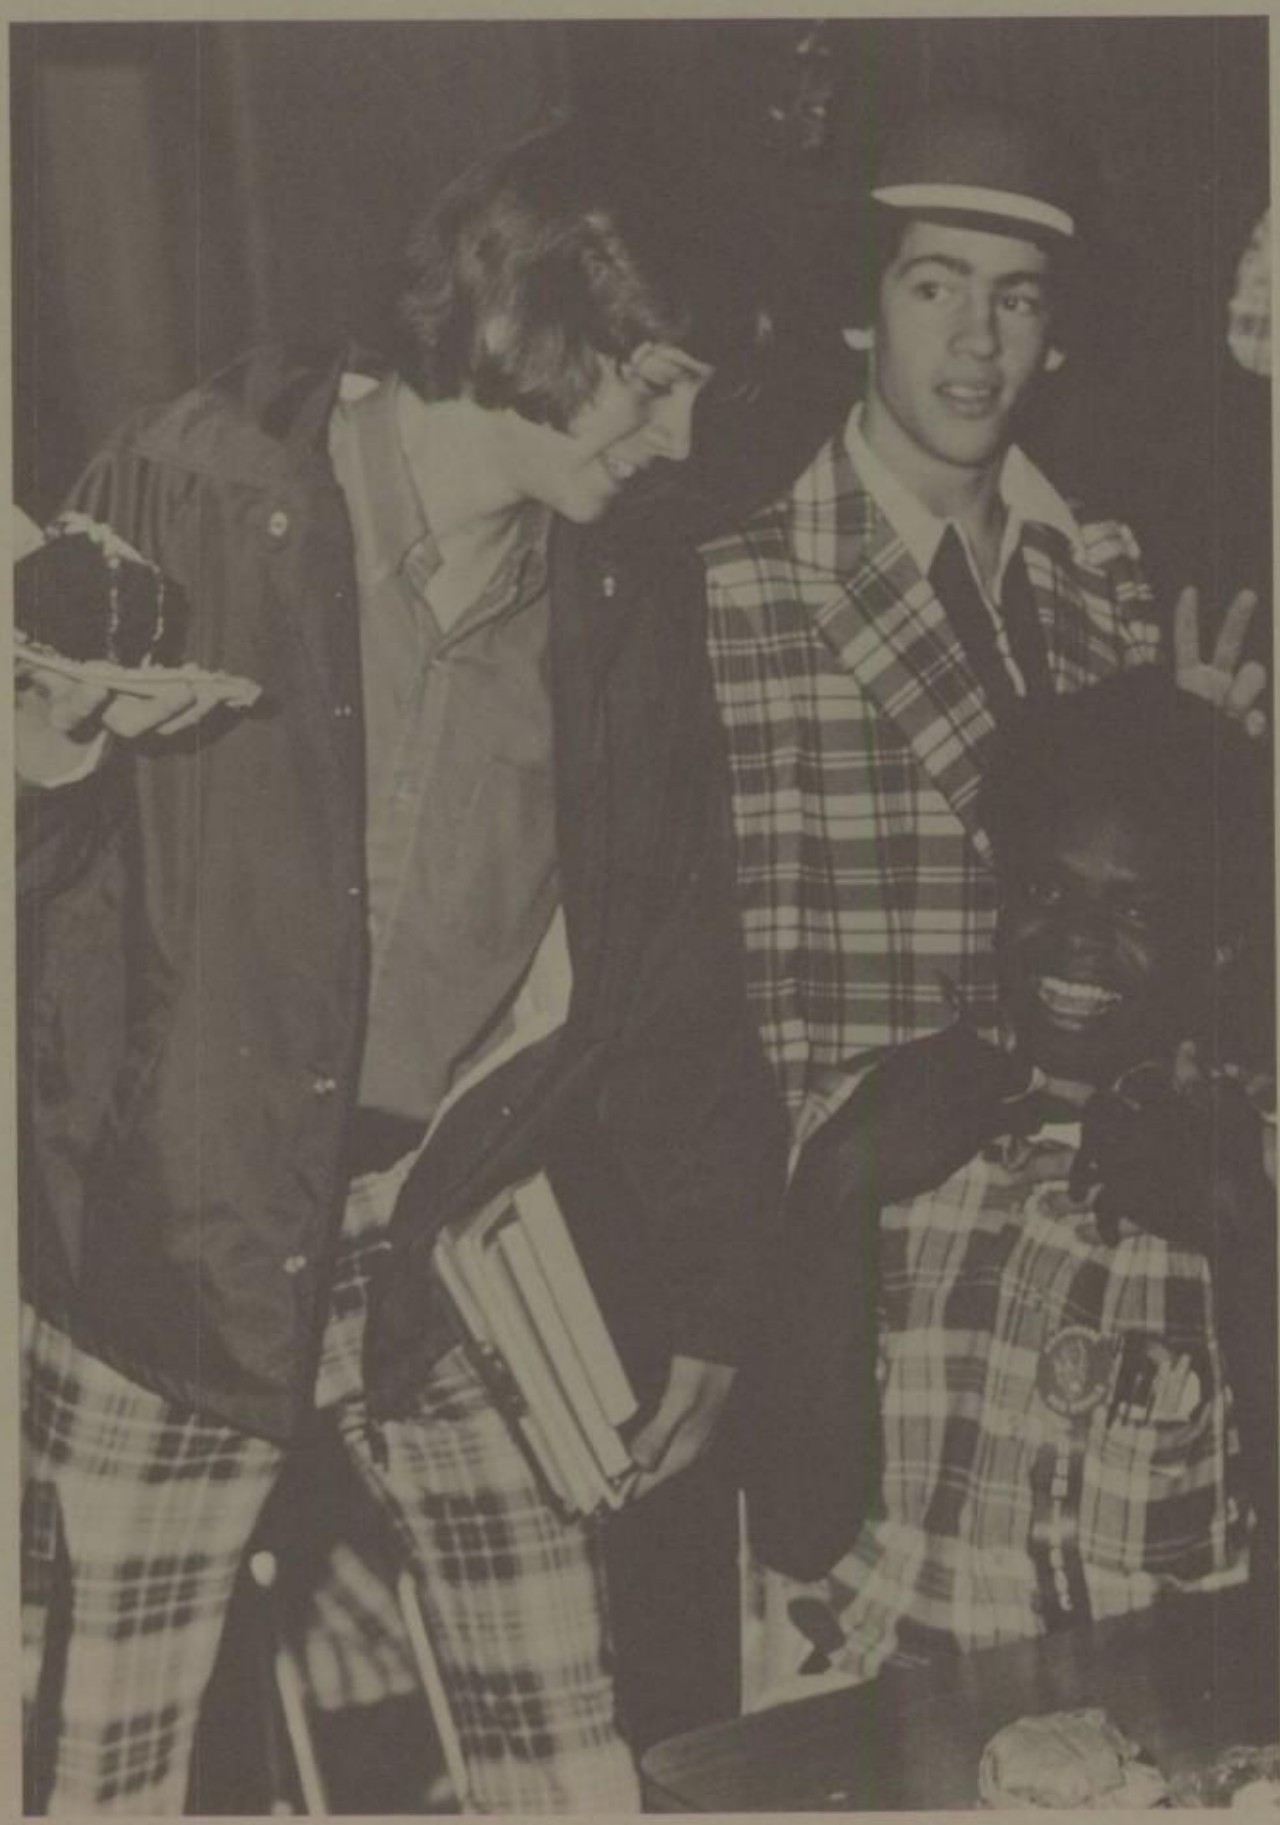
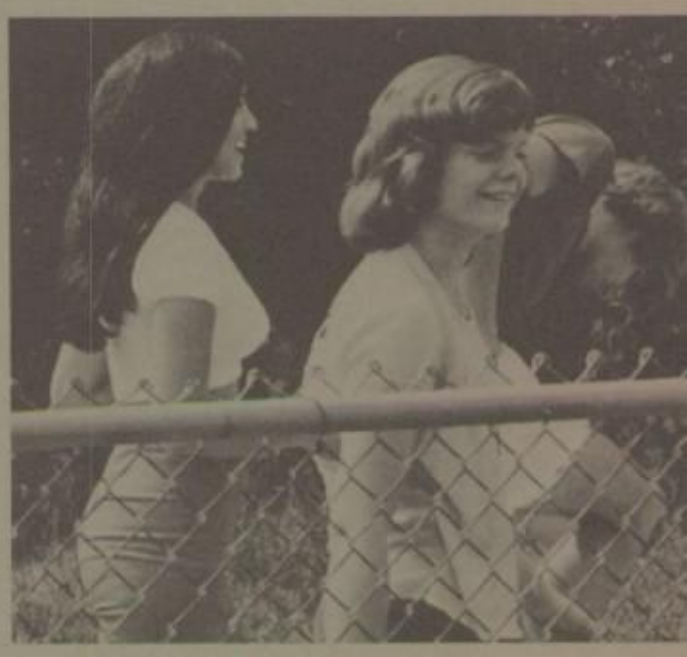
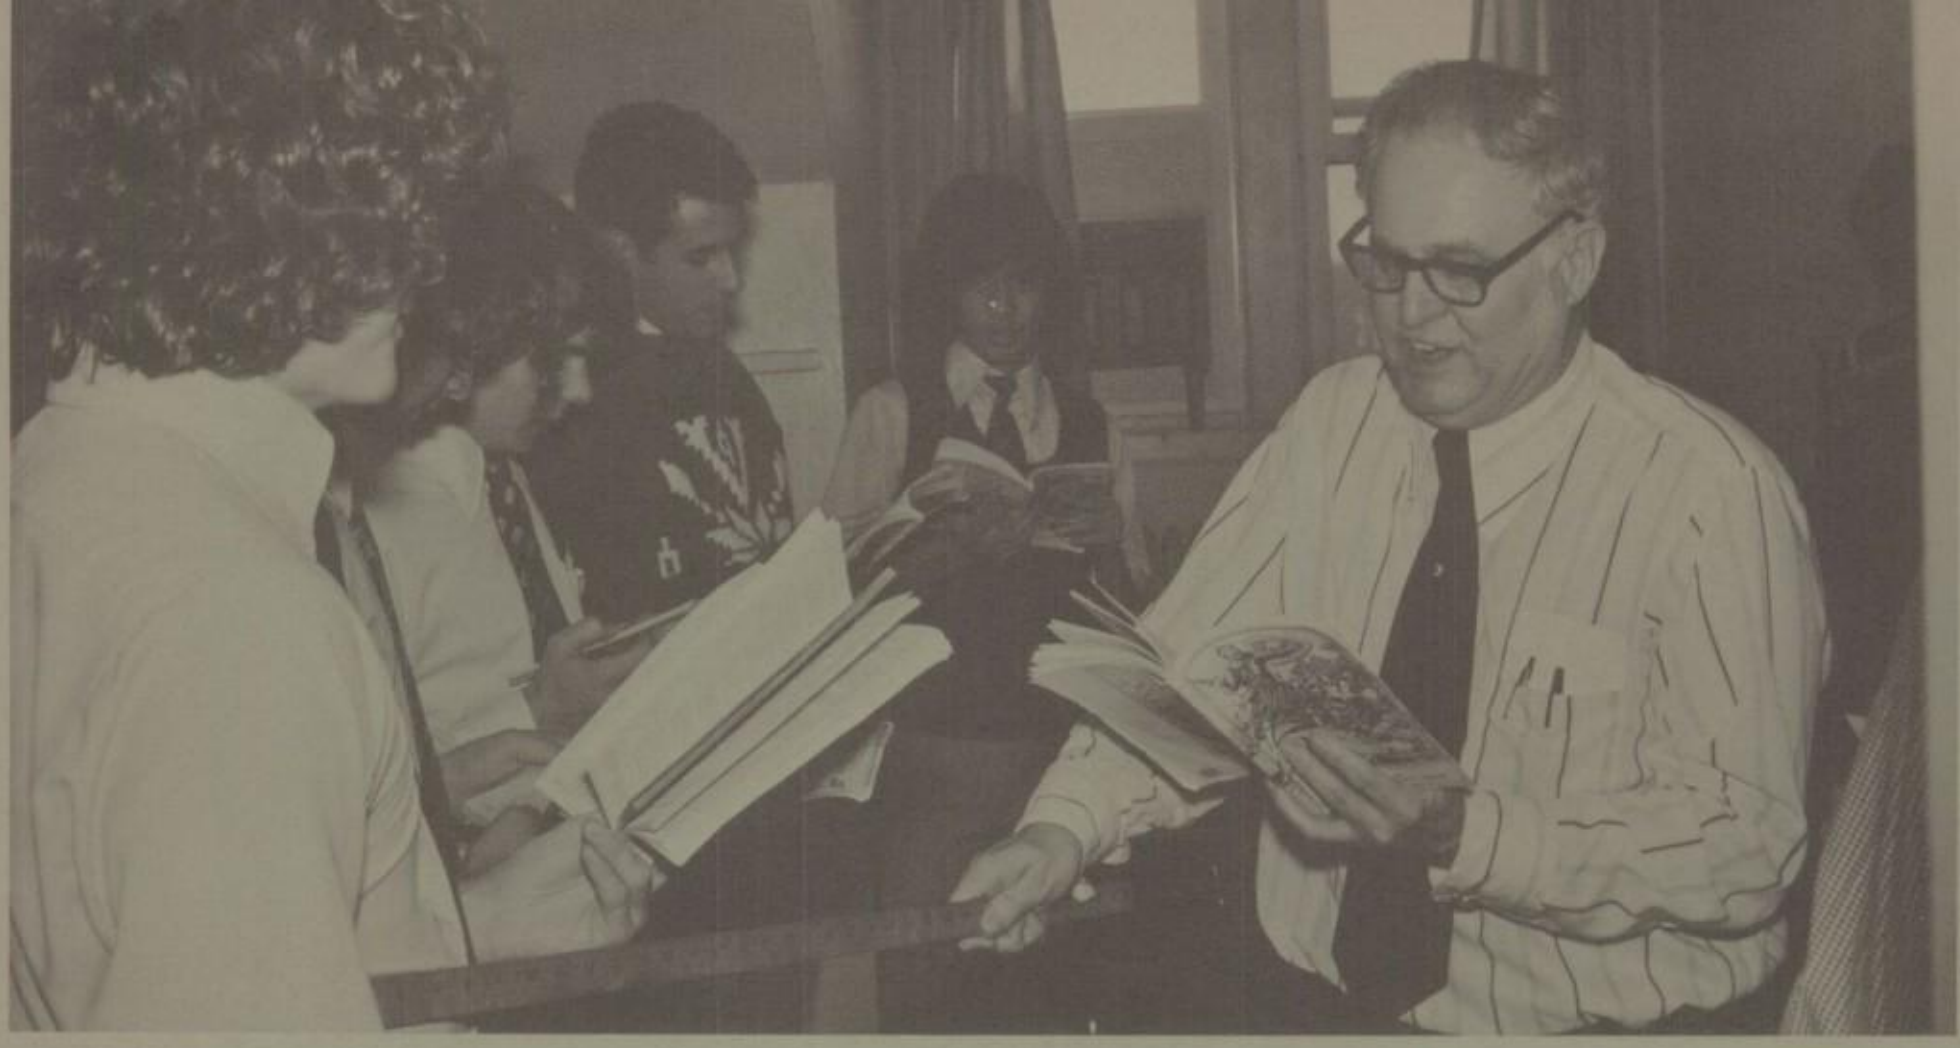
What Makes A Family?

Many things help make a family.
Leadership prepares for the future,
while tradition remembers the past.
A balance of joys and sorrows set
the family mood.
A tragedy, though it is a loss,
tests and increases
the faith of the family.
Unity is what makes a family one;
diversity makes it unique.

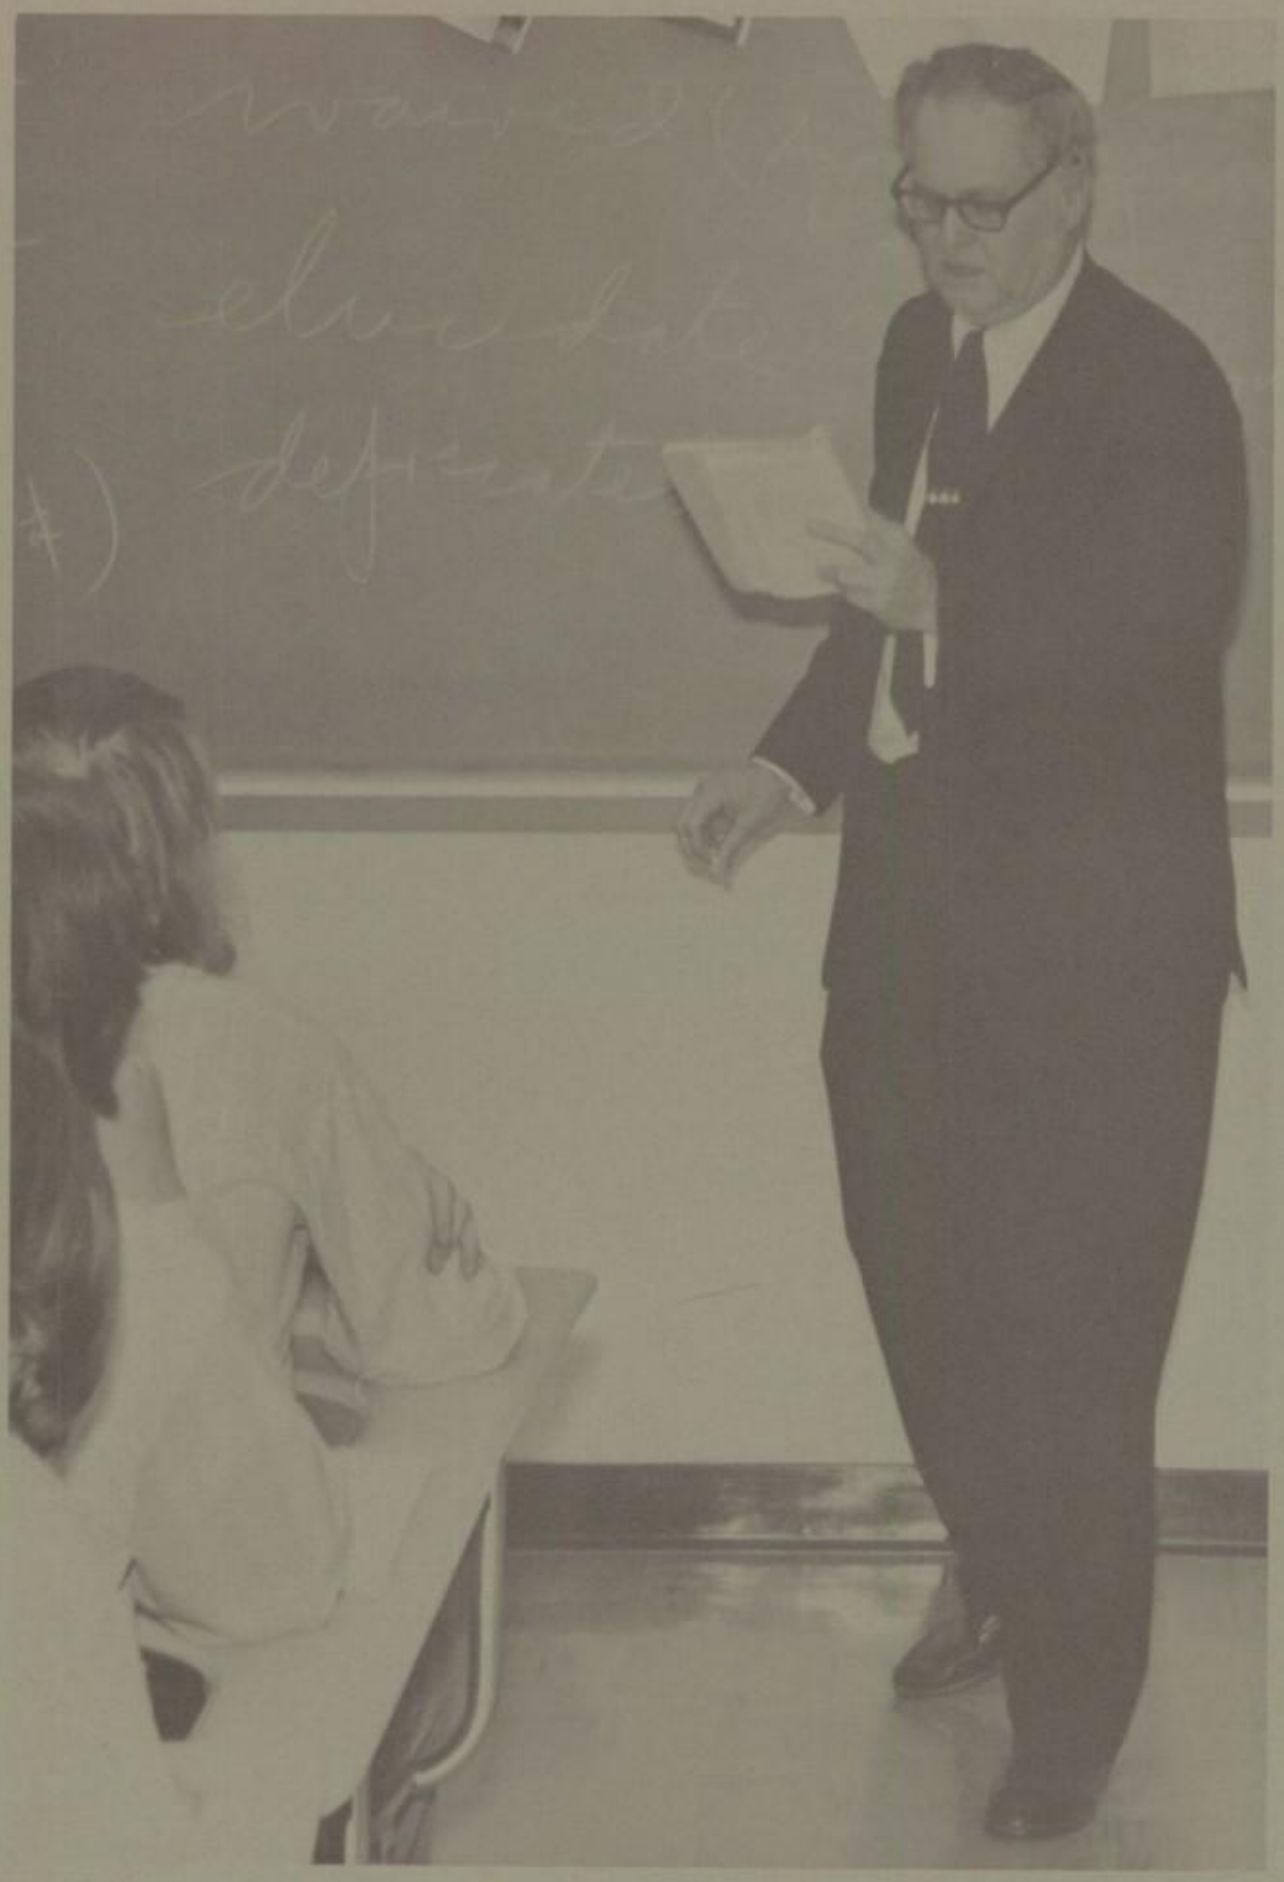






Leadership

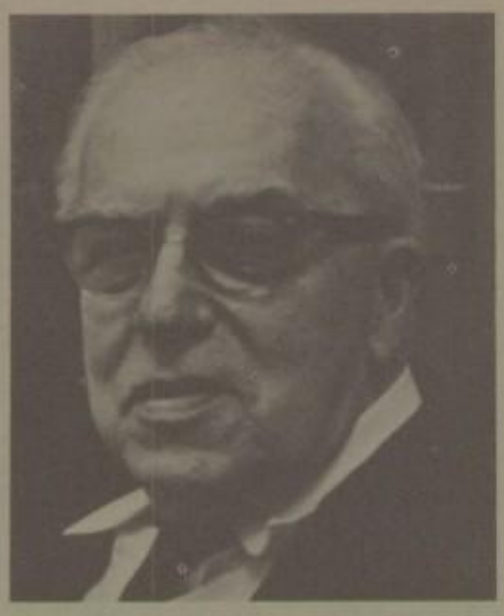
Leadership is needed
to guide the family.
Leadership of groups like the administration
and the seniors, together with the
leadership of individuals,
like Brother Frank Klapp:
teacher, administrator, living example, friend.



"Out of the mouth of the Mother of God
Like a little word come I;
For I go gathering Christian men
From sunken paving and ford and fen,
To die in a battle, God knows when,
By God, but I know why."

(G. K. Chesterton)

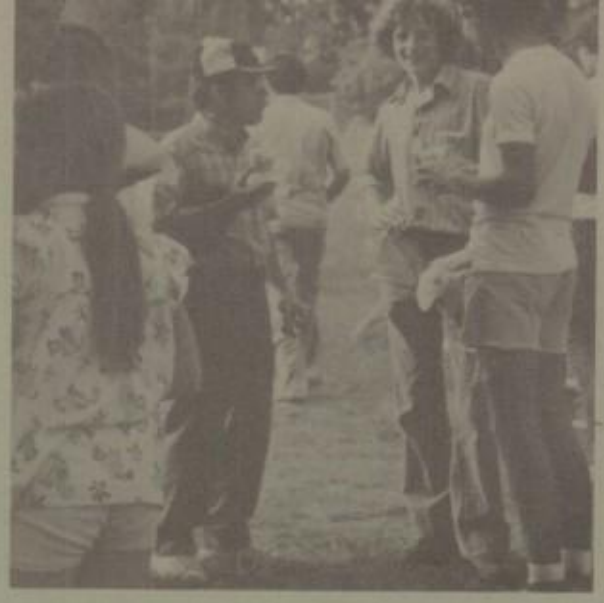
Bro. Frank J. Klapp, S.M.
M.A. (English), St. Louis University/A.P. English/ English III/Religion IV/ Director: Marianist Community/Member: Lay Advisory Board.



Bro. Peter J. Hill, S.M.
M.S. (Chemistry), University of Dayton/"Professor at Large"/83 years old/First taught at Chaminade in 1918/Vice-Principal for 15 years under 4 principals/Coach: V Football (1918).

Tradition

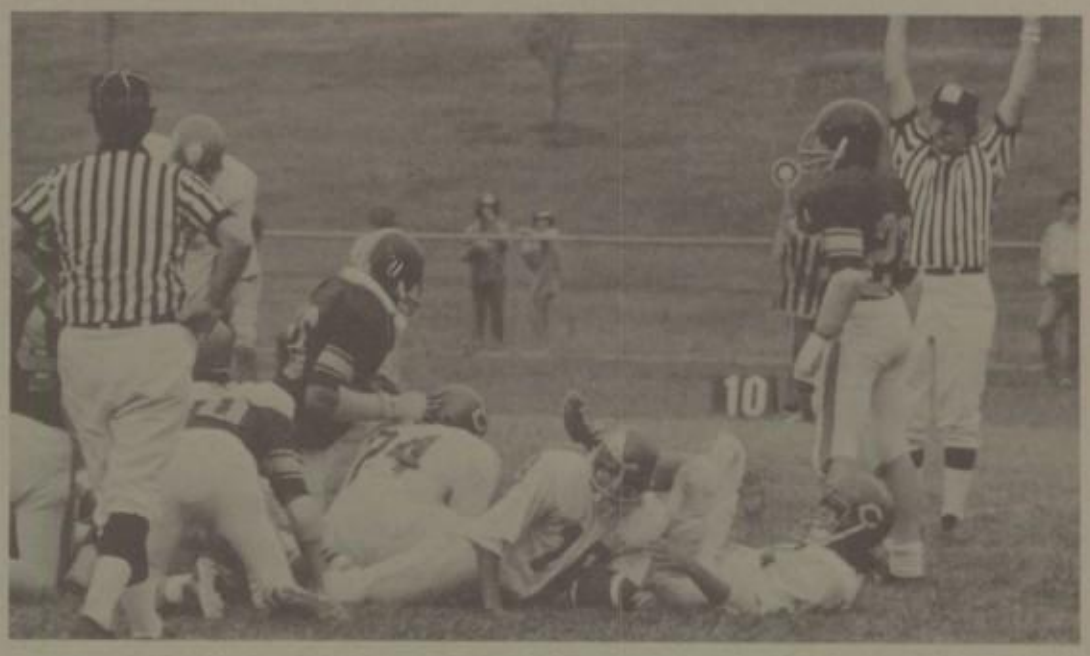
Tradition builds pride, and
Chaminade has a long tradition.
It is a tradition of places:
"Founded 1910,"
a tradition of events:
"39th Annual Father-Son Banquet,"
and a tradition of people:
Brother Peter Hill, S.M.



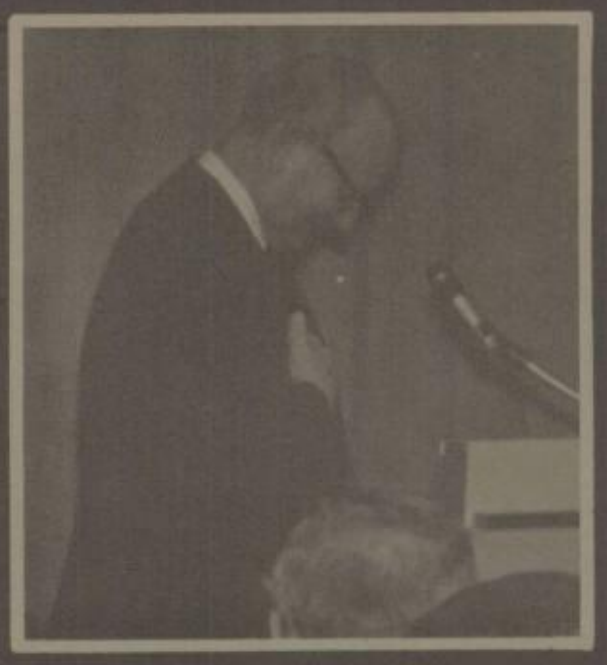
Joys And Sorrows

The mood of the
family
comes from a
balance of
joys and sorrows,
of ups and downs.
Ups like third place
in the state soccer
tournament,
picnics,
football victories,
and 1000 other small
joys only you and
your close friends
know.
Downs like losing a
new member of the family,
Richard Kerr.

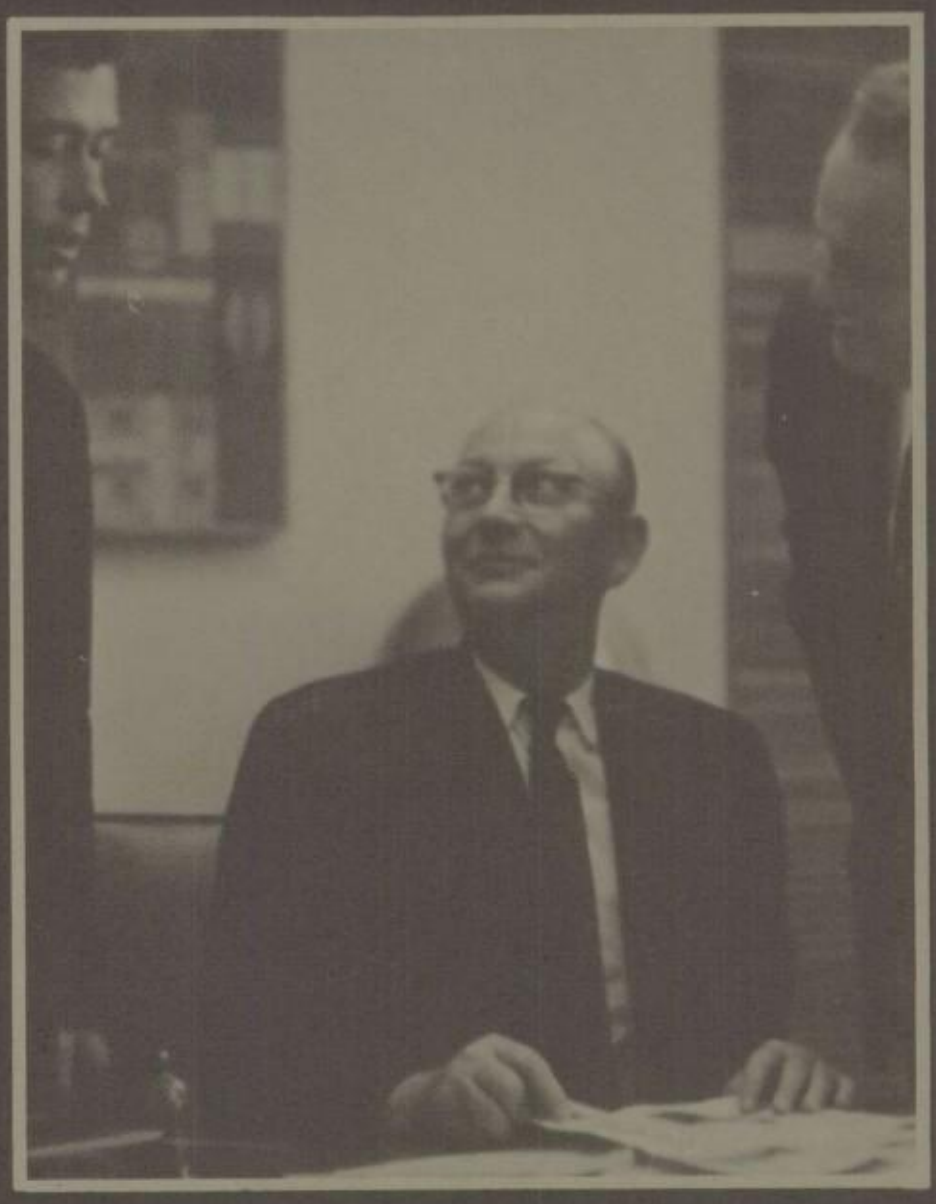
In Memoriam
Richard Allen Kerr
Died January 16th, 1975 A. D.

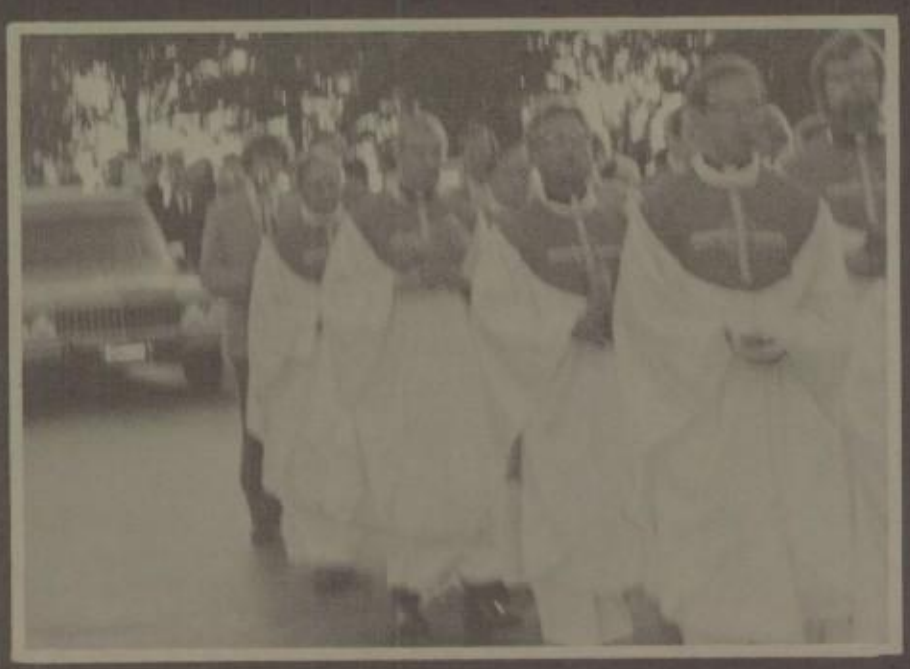


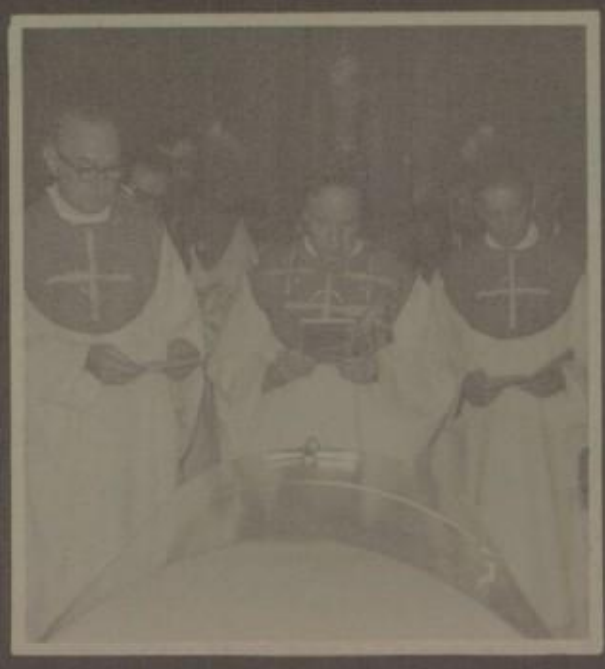
A FAMILY TRAGEDY

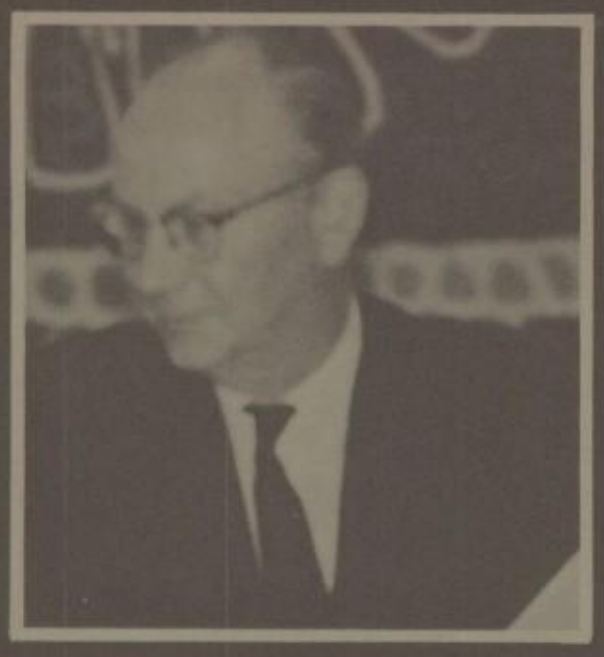


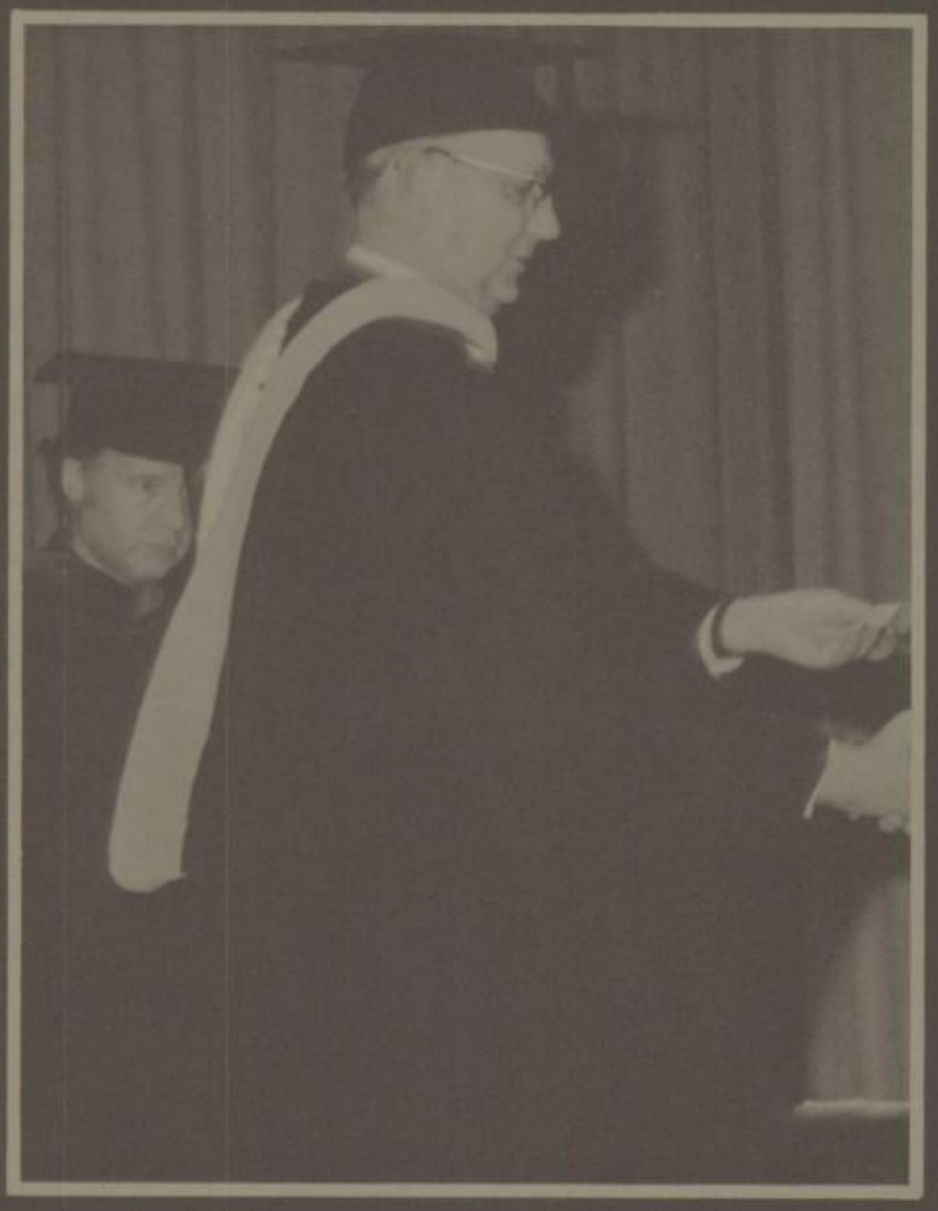
What can I say?
Brother Fred T. Weisbruch, S.M.,
an irreplaceable loss, both to the school itself and
to many of us individually.
Bro. Fred has gone, but he has left his
mark upon the Chaminade Family: 6 years of
careful and prudent, yet open-minded and inventive
decision making.
A sudden loss after 6 years of progress.

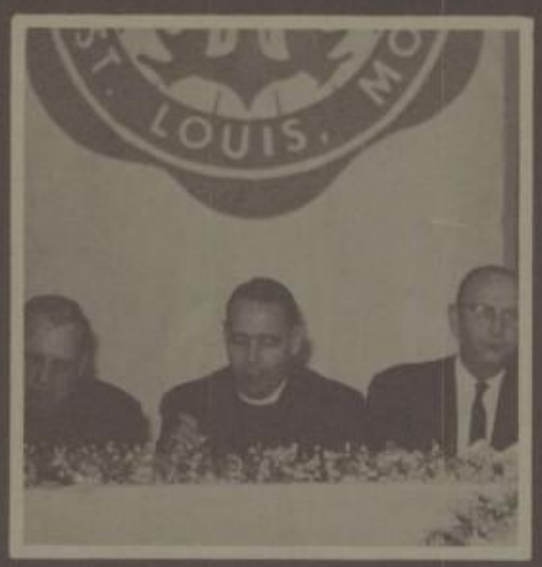




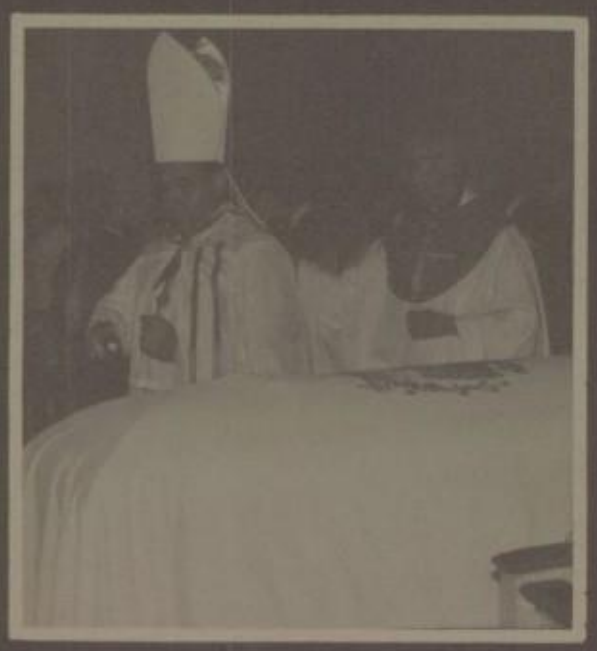


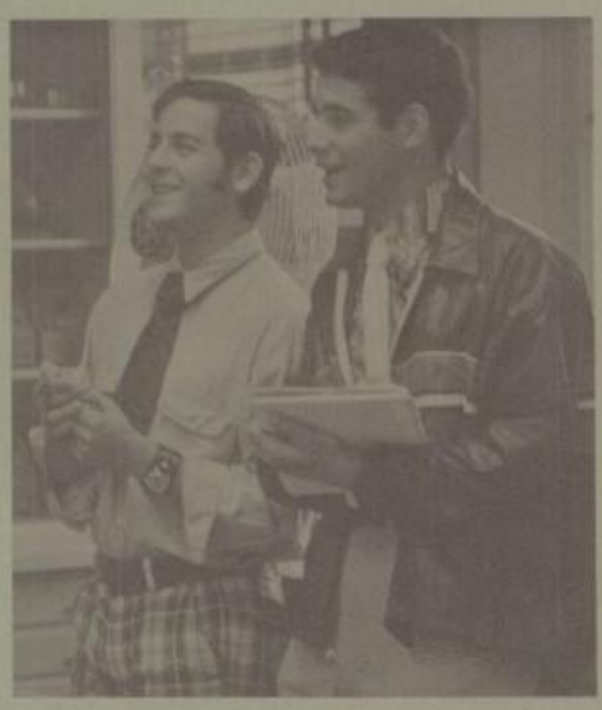


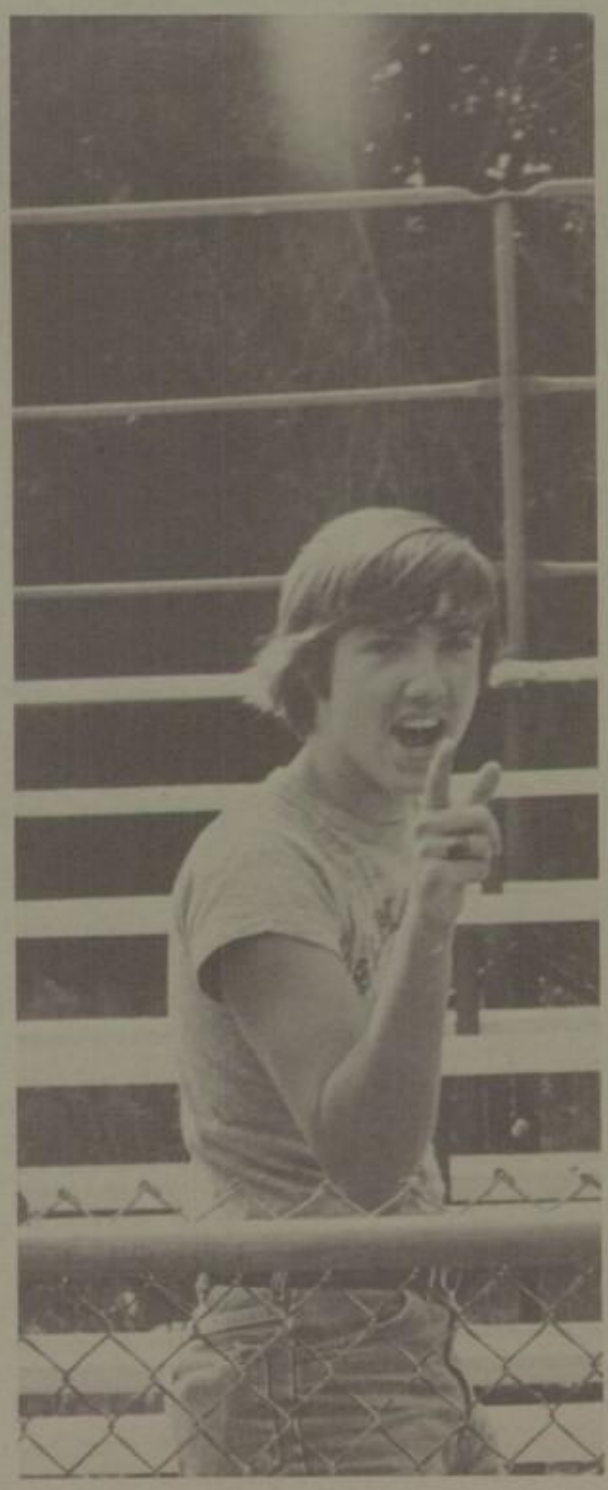


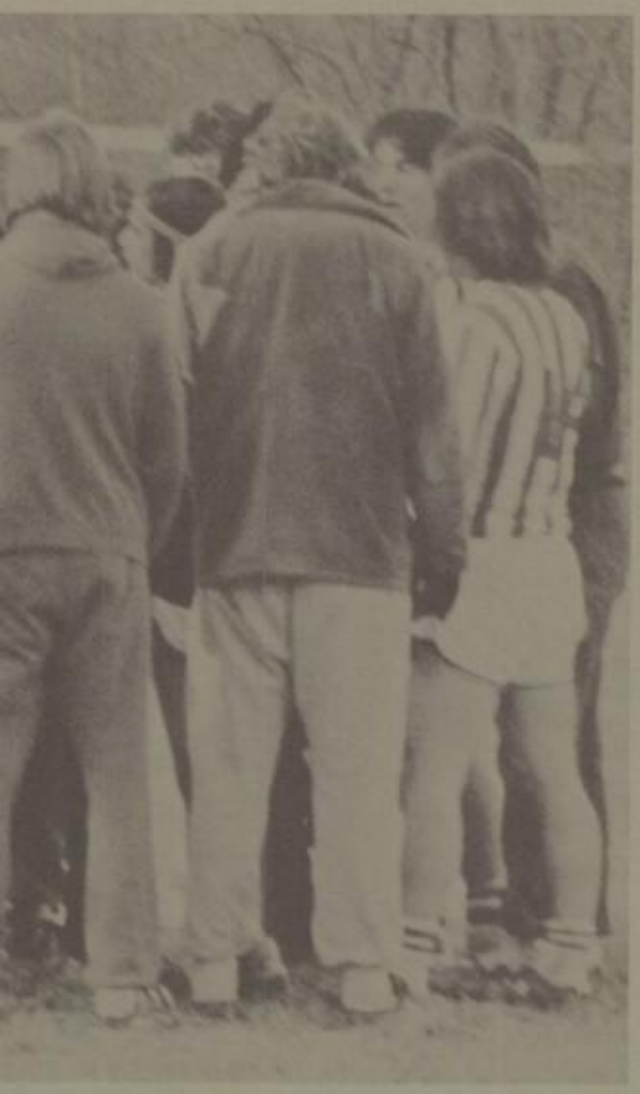


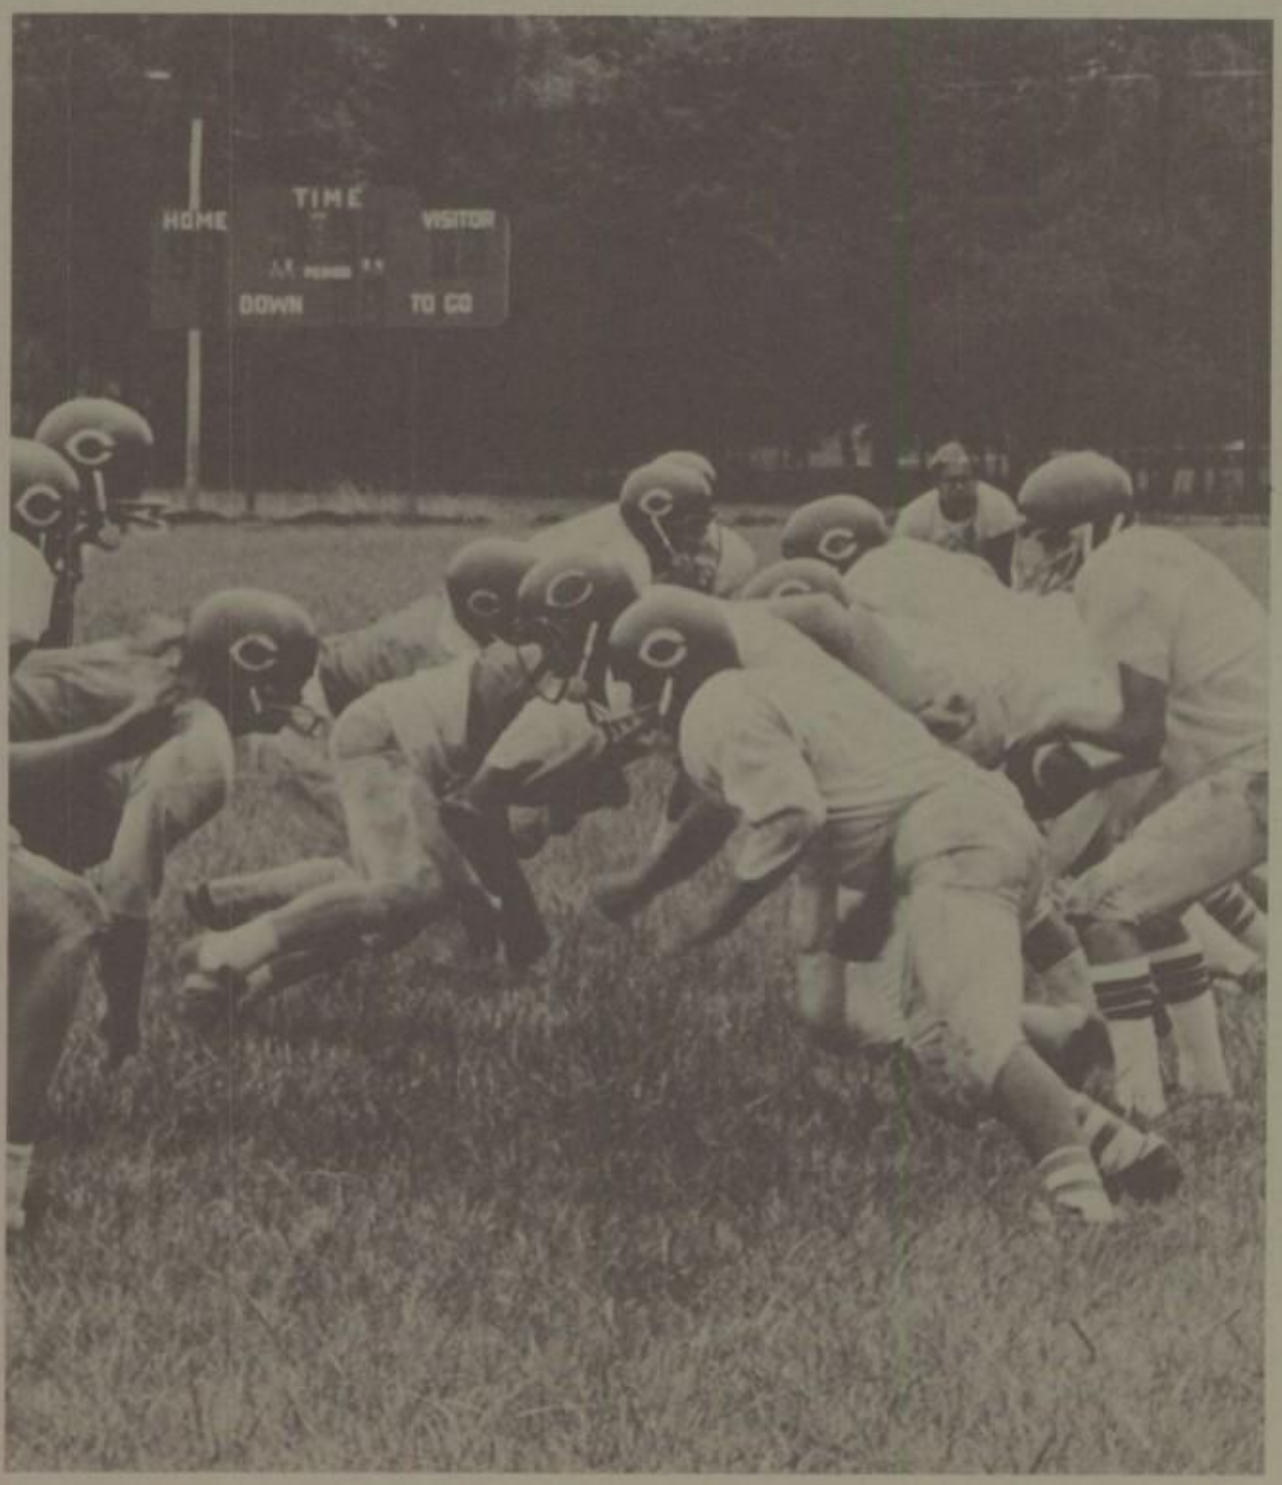
LOUIS, MO





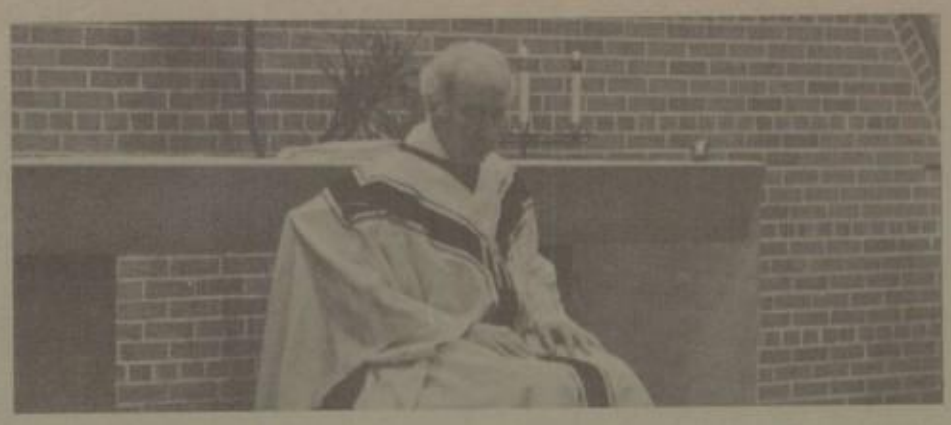






Unity

A family must
be one and whole,
or it is not a true
family.
Unity — of homerooms,
teams, clubs, friends.
Togetherness is a
sign of unity, and
the Chaminade family
does many things
together: games,
picnics, plays . . .



Diversity

Our family is big, and that "bigness" brings with it a great diversity. Members of the family come in all shapes and sizes: young and old, little brothers and sisters, faculty, parents, alumni, students, and friends, all with different interests, senses of humor, and backgrounds.

The Rings: Unified Diversity

This family appears a paradox,
its members unified but diverse.
Since this book
echoes the family,
we needed a
symbol for the book
that showed unity with diversity.
Hence, the five rings
for the five sections of the book,
all one but each different, separate but inseparable,
like the family.

Flyers Repeat Performance; Finish Second In C.A.C.

The season doesn't really begin until league play begins, and for the Flyers the league opener was against perennially powerful DuBourg. DuBourg was undefeated, but on a muddy and water-filled field at Chaminade, after a 25 minute delay, the Flyers out waded DuBourg 7-0. The conditions reminded many of the state final game two years ago that didn't end happily.

The Flyers quickly raised their record to 4-0 in a well-played Homecoming victory over Aquinas, 23-6. However, the Red Devils slumped after a month of good football and fell victim to the Dragons of St. Mary's, 14-0. The Flyers then raised their record two notches in two tough victories over Mercy and Kennedy, and one more victory was posted in an impressive game with De Andreis.

The next game would decide the league championship, and the Flyers worked very hard to prepare for it. The game was played against Vianney, there, and for the second time in the season, it was played in the mud. The Red Devils played heartily, but five costly turnovers resulted in a 14-0 defeat for the Flyers. The Flyers bounced back with a 35-6 victory over Rosary.

Red Devils Victorious Against Lafayette, Vashon

The 1974 football season was again a great accomplishment for the coaches, players and student body. The final team record stood at 8-2 good for second place in the CAC for the second year in a row.

Every team the Flyers faced this season was physically larger and stronger with no exceptions. Hard work and a staff consisting of coaches Ohlms, Donohue, and McKee, cuase great things to happen to a team often physically outmanned. The Red Devils worked hard from the 15th of August until the final game in November and a better team took the field week by week.

The season started off with two non-league ballgames against two very large public schools, Lafayette and Vashon. The Lafayette contest, under the lights at Lafayette, was scoreless, but the Flyers ultimately moved out to a 21-6 victory. Against Vashon the Flyers showed great strength in defeating the Wolverines 28-0.

Pam DiBello Crowned Homecoming Queen For 1975

Homecoming Week 1975 proved to be one of the most successful and exciting ever in the history of Chaminade. The week started off with Monday being "Derby Day". The quick sellout of the red and white derbies exemplified the spirit that the students sustained all week long. Tuesday, Wednesday, and Thursday were days of dressing down and wearing the team jerseys. On Friday the spirit of the Chaminade students was reached a peak with a pep rally.

The highlight of that day was the Homecoming bonfire and dance, the former failing to come off because of a rapidly approaching rainstorm. The crowds escaped the rains by attending the dance in Juergens Hall. Music was by Jim Wheeler.

The excitement peaked as the spirit of Chaminade moved to the field Saturday to cheer the Flyers on against Aquinas to the tune of a 22-6 victory. The Homecoming Dance was held that night with music by the Younger Brothers. The dance was semi-formal, its highlight, the queen's coronation, seemed more important. Pam DiBello was crowned Homecoming Queen for 1975.

Class Of '77 Continues Its Winning Ways

Coming from a 6-0 Frosh record, the sophs kept up their winning ways. The team raced to a 6-0 record before they were finally stopped by Vianney.

Starting the season against Du Bourg, the Flyer's defense rose to the occasion, stalling DuBourg six times on the Flyer 10-yard line to take the game 6-0. The defensive line established itself as one of the best in the CAC. The stalwarts were Mike Casey, Larry Lee, Mike Victor, Dave Layton, and Brad Palubiak.

The Flyers kept this pace up through the season, as typified by the game against Kennedy. Paul Schindler was the spark the Flyers needed to lift Chaminade over Kennedy, 22-9.

The "C"-team finished their season with an umblemished record.

After a poor start in the first half of the season opener, down 6-0 at the half, the Flyers came back to win the game, 22-6.

The third game of the year was played against Chaminade's rival, Vianney. The Flyers emerged victorious, 12-2.

The Flyers next defeated Aquinas, 29-0, and Mercy, 32-0.

The defense held their opponents to a total of 12 points.

A large amount of the scoring should be accredited to the work of the offensive line.

Roadrunners And Preps Have Winning Seasons

Under the direction of Mr. Carroll Howell, the 1975 Varsity Cross-Country team ran to a 5-2 record, one of its best in years. Highlighting the season was the CAC meet, in which the Roadrunners finished second out of seven, perhaps their best CAC performance. The Harriars finished seventh of thirteen in District competition which was admirable for so young a team (there were only four seniors on the squad). The team's youth promises many more winning seasons to come, which will uphold a tradition of winning cross-country teams begun under Mr. Howell many seasons ago.

The Chaminade Prep football team as well upheld the tradition of winning under the direction of Brother Louis Meinhardt, who coached all team sports for the Preps. Under Brother Louis, the Prep-team is not merely a conditioning team, designed to prepare the middle school athletes for Varsity play. It is a team within itself, and the players play hard for themselves. It is a great experience for them, with *Esto Vir* always in mind.

75 Season Disappointment Promise For Next Season

The 1974-1975 Varsity Basketball season can best be described as a disappointment. While the season's end record was barely mediocre, there were several bright spots especially after the season's midpoint; but the final result was a less-than-.500 year.

While the record was acceptable in comparison with the 2-and-17 record of four seasons past, and the many similar seasons of years before that, it was never the less a disappointment when compared with last season. This was the second season under Mr. Wayne McKim, who came to Chaminade last year especially to coach basketball. His Performance last year in completely turning around a losing team and finishing with an admirable 17-9 record held a promise for an even greater season in 1975. Disappointingly, however, the promise never came through.

The season began with a slow start, and a losing streak that threatened to break the team's back. Neither Mr. McKim nor the team members, however, gave a hint of giving in. By mid-season, the team decided that it must either concentrate and turn the losing streak around, or give it up and start looking toward next year.

This was the turning point; from this point on, the team compiled a winning streak that was impressive in itself, and a gallant effort. It was not quite enough, however to break .500.

There were several reasons for the season's unimpressive record. There were several injuries to some of the team starters. There was a general lack of school support for the team as the season progressed, which made efforts even more difficult. Lastly, the season was simply unlucky for the Flyers, with several heartbreakingly close defeats.

This team will be remembered most for its good spirit and perseverence. It was not an easy season, but this team carried the burden admirable. And in this respect, this team was possibly one of the most successful in the history of the school.

Seniors and Flyers Both Defeated

The 1975 Basketball Homecoming began with a pep rally after school at 2:10 p.m., the Friday before Homecoming weekend. During this rally, the Varsity team was again introduced to the student body. Speeches were given by the coach of the Basketball team, Mr. Wayne McKim, and by several members of the Basketball Flyers squad, including Robin Ell and Dan Beckerle, who were later to win the Athlete of the Class Award and the Sportsmanship award, respectively, due a great deal to their performance for this team. The rally was followed by the annual senior-faculty game. This was perhaps the closest contest between these two powerhouses, but the faculty, due a great deal to some questionable playing tactics (the referee was a faculty member) emerged victorious.

The student faculty game was followed that evening by the Varsity Homecoming game. The Varsity suffered a heartbreaking loss, but the Homecoming spirit was not in any way quenched. It was continued in full force after the game during the Homecoming dance. The dance, if not the game, was a great success, and promised a large crowd that would follow the Flyers for the rest of the season.

Varsity Soccer Best In History Of Chaminade

This was the finest Varsity Soccer team in the history of the school. While their record is not in itself outstanding, the Soccer team not only went to district play-offs, but took first place there. From district the team went to state competition — the first time in the school's history that a Varsity Soccer team has gone that far — and took third place.

This marks the last season that CAC soccer will be a winter sport. In 1976, soccer will become a fall sport for the CAC. It is somehow fitting that this year, on the verge of such change, the Varsity soccer team, under the direction of Mr. James Finder, would make such a dazzling performance.

This past season can best be described for the B-team as a frustrating one. The season began with two of the first three games resulting in victories. The team then ran into some tough opponents such as Du Bourg, Vianney, JFK, and SLUH, and lost seven out of their last eight. Despite the losing record, this did not give a true indication of the team's fine play, including four 1-goal losses.

Young Swimming Team Captures Ninth Place

The Chaminade Varsity Swimming team finished ninth in state in 1975. This was the seventh consecutive season that the swimming team, under the direction of Brother John McCarthy, finished within the top ten in state Competition. The team was very young this year; there were only four seniors on the squad. It was a somewhat inexperienced team, new to the pressures of District and State competition. But the team made a gallant effort against the older, more experienced teams of the other, larger schools and managed to hold its own against this stiff competition.

Leaders of the swimming team for 1975 were Chris Ruesch, Pete Malench, Mark Braue, and Jack Quade, among others.

The Swimming team characterized the idea of "Chaminade Family" to perfection this year. It worked hard and managed to overcome its own inexperience and finish with an admirable record. It worked as a single unit throughout the year, and never finished even as the pressure became tougher and the opposition became stronger. And it was in this, perhaps more than in its final record, that the 1975 Varsity Swimming team showed itself to be an exceptional team.

1975 Last Year For Veteran Coach Ruesch

Mr. Walter C. Ruesch
B.S. (Biology) University of Missouri/ Biology IV/ Technical Drawing/ Coach: C Football/ Coach: V-Baseball.

The miserable record of the Varsity Baseball Team is fairly clear if one understands that the team already had two strikes against it in its inexperience. There were only six returning veterans in seniors Don Arceri, Andy Stoll, this year's Lester E. Wall Award winner, and sophomore Joe Yoffie.

However, the record is misleading as far as effort is concerned. The effort of all involved was tremendous, and it was only due to a few bad breaks and miscues that the Varsity's record was not better than it was. One can only hope for better next year, when Mr. McKee takes Mr. Ruesch's job as head coach.

Another factor which could contribute to the Varsity's future is the success of the B-Team this past year, under the coaching of Bro. William Kennealy. On the whole, the B-Team's record was 10-4 with the team winning all of its last four. Outstanding individual performances were made by sophomores Dan O'Connell, Larry Epstein, Matt Klostermann, and Jim Carlton; freshmen Bob Hausladen, Ken Kruse, and Doug Wilburn. Among the teams defeated this season were St. Dominic, Ritenour, DuBourg, St. Mary, and Ladue. Equipment manager Chris Horner summed up the season as follows: "It was a terrific effort by everyone on the team."

Bergner, Stevens, Gorman Qualify For State Meet

The 1975 Varsity Track team did not finish with a great record but much hard work made for many good performances. Doug Blume and Pete Wall, coached by Brother John Krus, led the sprinters to many victories. The successful 880 relay team of Pete Wall, Larry Smith, Tom Bluth, and Doug Blume was hampered by injuries late in the season, but Wall and Smith led Coach Wayne McKim's jumpers. Weightmen Steve Burkett and Jim Gorman led the point scorers for Coach James Finder. Bruce Bergner, Mike Gray and Kevin Canino paced the distance men of Coach Ed Donohue. Chaminade mile record holder Bruce Bergner qualified for the State 3A meet in the mile at the District track meet at Troy; Jack Stevens also placed in the mile and Jim Gorman in the discus at Troy.

The B-Team was strong in duel meets, finishing with a 7 and 3 record. Standouts on the B-Team were Pat Beckerle, in the weights; Malachy Donohue, Pat Ebeling, Tom Pandolfo and Dave Swope in the sprints and jumps; Bob Hoffman in the pole vault; and Mike Lampe, Jack Stevens and Brian Symsack in the distance. Many thanks go to the coaching staff, and especially to Brother John Krus, who retired as coach after this season.

Golf Has 9-3 Year: Tennis Over .500 For 2 Years

The Chaminade Golf team chalked up another fine year under the coaching of Mr. Carrol Howell. The team started slow, losing three and winning three in its first six matches. Two of the matches were won by one stroke each. After that the team carded 6 consecutive victories; the season ended with a 9-3 record. Alex Moore, Mike Donley, David Baldree, and Tim Robert lead the team into the District play held at Crystal Lake, but a chance for state qualification eluded them this year. They finished 8th — a mere four strokes away from qualifying for State competition. The same four plus Mike McManus and Bob Huffman, led the team into the CAC championship round but again victory eluded them as they finished third.

The Tennis Team finished over .500 for the second time in 2 seasons, with a ten and 6 record. The team was coached by Bro. John McCarthy. There were no stars as such this year, but teamwork and hustle made up for that deficit. The team is a young one, with all underclassmen participating in the '74-'75 season. The team consisted of 16 players: 7 freshmen, 7 sophomores, and 2 juniors, all of whom have contributed to making their team one of the strongest in the area.

Haar Leads Student Council To Success

The 1974-75 Student Council should be congratulated on a job well done for this school year. The overall cooperation by the members was the basic cause for successes in the fields of Homecoming, dances, workshops, Freshmen Orientation, Big Brother, and Intramurals.

Homecoming had a new look this year with a semi-formal dance for the coronation. Monthly dances continued on the road to improvement. Underclassmen council workshops resulted in many new ideas along with a greater understanding of the council itself. Freshmen Orientation gave many of the freshmen their first good look at Chaminade: its campus, its teachers, its seniors, and of course, its family atmosphere. The Big Brother Recnite helped the frosh feel at home. Intramural Basketball was the highlight of early spring as the seniors of 104 were champs.

Leading this year's Student Council were President Kevin Haar, Vice-President of Student Services Tom Bluth, Vice-President of Activities Tim Pagliara, and Vice-President of Council Affairs Joe Lordo.

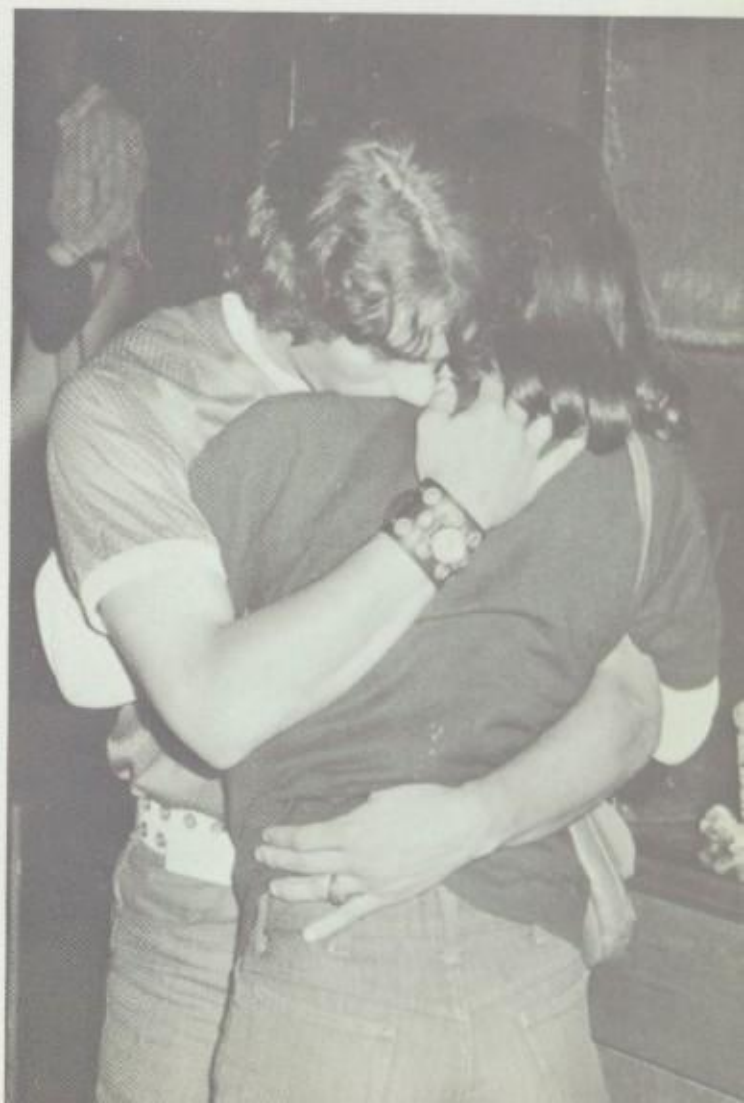
Good Publicity Increases Dance Attendance

The 1974-75 year was another vintage year for Chaminade dances. Students boogied to the music of Rosencrantz and Gildersleeve, Nickles, Jay Berry, Faustus, Max Creek, King Solomon, and Younger Brothers. As in the past, Chaminade kept up its reputation for clean and trouble-free dances, much to the credit of the parents who chaparoned them. The dances came as a welcome break during the academic drudgery and offered a chance for the social development of the students.

The dance committee received help from the rest of the Student Council in the form of publicity (including posters in all of the girls' schools in the area), thus insuring the presence of an ample number of dancing partners for Chaminade students.

Decorations at the dances were somewhat sparce, but the colorful attire of the dancers more than made up for this lack of color. One happy exception was the football homecoming dance, which was decorated with painted silhouettes of all the senior football players.



Prom Held At Westport, Nickels *Plays*

This year's Junior-Senior Prom was held in the grand Ballroom of the lavishly decorated Sheraton-Westport Inn at the Westport Plaza Complex. Though scheduled to begin at 8:00, many couples had arrived by 7:30 and enjoyed the neighboring patio lake view. Then, after Father Osborne's invocation, more than 250 guests sat down to dinner. Dancing followed at 9:30 with music provided by *Nickels,* formerly *Norfolk and Western.*

At 10:30, the dancers received a short break while Mrs. Maxine Blind described each of the queen candidates' gowns. Then, the Master of Ceremonies, Peter Zeckert, with some help from the Nickels drummer, announced that the 1975 Prom queen was Lisa Barton from Ursuline Academy, escorted by Dan Wahby. Lisa's court included: Sandy Emert, from St. Joseph's Academy; Kathy Iffrig from St. Dominic's High; Peggy Dunn from Kirkwood High; Katie Jehling from Villa Duschene; and Jennifer Beste from Duschene High.

The Prom committee was co-chairmaned by Andy Wuellner and Chris Morris and consisted of: Greg Carl, Mike Greening, Mark Osborne, Tony Yanko, and Pete Zeckert.

First Chess Tournament; C & W Improves Quality

Prior to this season, the 1974-1975 Chaminade Chess Team was expected to be one of the powerhouses in St. Louis, owing to the fact that in the past two years it had showed great promise. However, these expectations did not come true. The chess team fought its way to first place by the seventh week of the 10-week season, but lost the lead and failed to qualify for the playoffs in the last three weeks. The team ended with a 5-5 match record and had won 26 out of a possible 50 points. This year Chaminade also staged its first chess tournament, a two-day invitational meet featuring six teams during November. First place in the tournament went to McKinley High School, while host Chaminade finished fifth. The top scorers on this year's team were Larry Wuerz, Tom Dolan, and Mike Ermer.

This year's *Cardinal & White,* the school newspaper, displayed a higher quality of journalism than past volumes. Headed by co-editors Chris Skillington and Steve Kelly, the *Cardinal & White* was produced monthly, including pictorial essays, letters to the editors, news capsules, feature-type stories, and editorials. A large help to the staff was this year's addition of journalism to the junior-senior English curriculum.

Campus Ministry Team 2 Years Old

During its second year of existance, the Campus Ministry Team developed beyond expectations and seemed to grow without bound.

The team was involved in two kinds of activities, those benefiting Chaminade students and those dealing with outside groups. In the first catagory the most noticable undertakings were two Christian Commitment days (formerly Alternate Education Days). Next came the annual food and bundle drive, giving Chaminade students a chance to compete against each other for higher rewards. During Lent the Campus Ministry organized the distribution of crosses given to the school in order to spread a spirit of reccnciliation among the students. When spring came around the team supported Project Concern's Walk for Mankind. Also with the spring came the conception and inception of "peer counceling". Under this program freshmen could arrange interviews with seniors during class hours.

Certain activities also involved other schools, for example there was the special olympics for crippled children and workshops with St. Josephs Academy and Visitation Academy.

There is only one sad note in the saga of the Campus Ministry, That of the Graduation of it's leaders Tim Pagliara and Kevin Pritchet.

Masses, such as that below, were sponsored throughout the school year by the Campus Ministry Team.

Karpowicz Leads Grotto In "Unbelievable" Year

Since its founding 8 years ago, the Grotto has grown to be one of the largest activities at Chaminade. Under the able leadership of its officers and moderators the Grotto has increased to 100 members from Chaminade and other schools around the city. The officers this year are Mike Karpowicz, President; Steve O'Connell, Vice President; John Moran, *Rope's End* Editor; Pete Zekert, Secretary; and Mike O'Connell, Treasurer. For the first year, the Grotto has had more than one moderator. Its moderators are Bro. Drees, Bro. Escudero, Bro. Galantowicz, Bro. Jorn, Bro. Droste, and Mr. Schriewer.

Under this leadership the Grotto has done some unbelievable things. Over the Christmas holidays, the Grotto had a two week trip to Texas and Mexico, visiting some very well- known caves. One night the members slept in a cave called the "Gruto del Palmito". This cave is so large that a person cannot see from one side to the other. The Grotto also had another overnight trip to a cave. 33 members spent 3 days in Become Moore, exploring the 24 miles of known passage. During the year the Grotto also had 2 canoe trips, 20 cave trips, and 6 trips to caves where ropes and mountain climbing gear was needed. All in all the Grotto had a very rewarding year.

When I Look Back On . . . "Koda Chrome" — P. Simon

Virtually every publication that has been written at or about Chaminade this year owes a debt of thanks to these six students: Seniors Jerry Finkenkeller and Pat Fister, Juniors A. J. Chivetta, and Rick Bshara, and Sophomores Bob Gantner and Larry Smith, who together comprise the 1975 Photography Club. The Photography Club provided photos that appeared in the *Cardinal and White* school newspaper, and in publications of the publicity department, including brochures for prospective Freshmen, and Brother Frank Klapp's annual newsletter. Virtually every photograph found in this Yearbook represents the work of the Photography Club.

All in all, the Club has taken and processed well over two *thousand* pictures, many of which will be filed away after this school year, never to be seen again.

Being a photographer at Chaminade is certainly not the most popular activity one could be involved in. Nor is it one which is constantly in the limelight. Nor is it easy, as I should sure as hell know: it requires an appearance at every school function, so that all activities can be photographed; it requires long hours in the photo-lab developing pictures for the various publications which require them. For this, the Photo Club deserves the school's thanks.

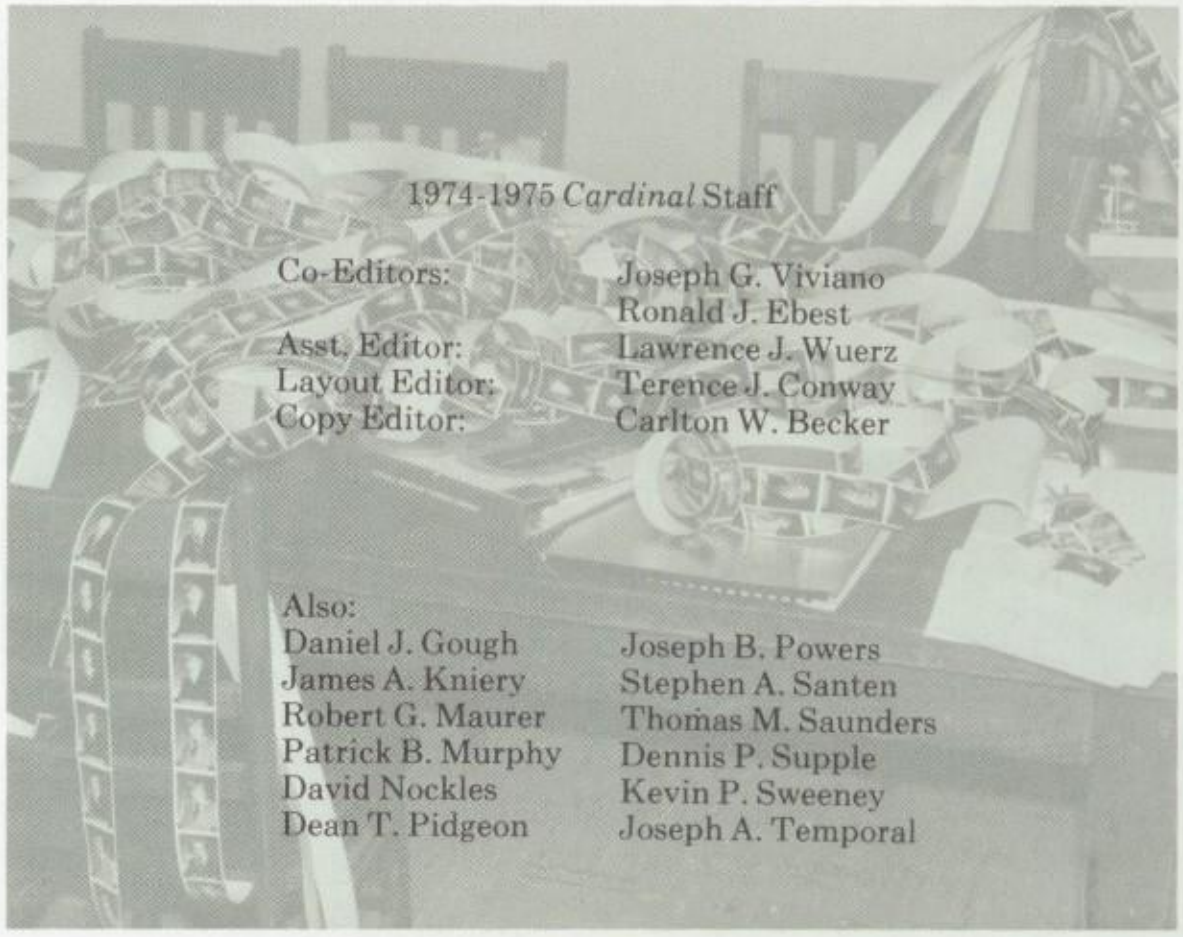
Staff Learns Tasks From 3 Returning Seniors



1975 was a rebuilding year for the *Cardinal* staff. With only three members returning after 1974, and all of them seniors, a monumental task was placed upon their shoulders. These three seniors not only had to put out a book, but they had to train their staff, and the '76 editor, as they did the book.

From the beginning of the year there was an excellent response from students wishing to learn the necessary skills and who were willing to give their time after school. Most of the help came from among the sophomore and freshmen classes, so that such a staff shortage will be avoided in the future.

One change about the staff this year was its involvement in other activities. Whereas other staffs in the past were devoted almost entirely to yearbook work, members of this year's staff showed involvement in NHS, chess, Voice of the Red Devil, speech, newspaper, football, and soccer. Such diverse interests improved the atmosphere in which the staff worked and helped promote unity among the staff when faced with problems like late pictures, budget shortages, and sharing the office with the *Cardinal and White* staff.

Band's First Year Under New Director

Under the direction of Mr. Robert Schmiehausen, the Chaminade band program was extremely successful. The whole year was an exercise in building the band. From the very beginning, the band room was renovated, new instruments bought, and concerts held; as a result, spirit was built among the band members. This was a key element in the band's success. The members of the band wanted to improve their sound so they practiced more intensely and achieved many of their goals. In addition to the concert band, meeting once a day during school, the stage band and pep band were organized to enhance the atmosphere at school functions. The members of these bands practiced after school and received activity points for their efforts.

Though this has been a successful year, hopes are even higher for next year with a bigger and more experienced band. It is evident that Mr. Schmiehausen has only taken his first successful step in building the band and that he will even further establish a good reputation at Chaminade as time goes on.

Forensics Department Holds 28 School Meet

The 1974-75 school year was another good year for the Chaminade Speech and Debate Team, otherwise known as the Forensics Department. The team's success was brought about by the excellent coaching of Mr. William Czarnecki, head of public speaking; Mr. Dennis Meier, in charge of interp; Mr. Dave Franta, director of duet acting; and Brother Peter Loehr, Forensics Coordinator, who scheduled the team's many appearances throughout Missouri and Illinois. These appearances included big meets in the Kansas City, Springfield, Joplin, and Jefferson City areas.

Although the team as a whole did not fare as well as it did last year, many members were able to cart away trophies at several important tournaments. Outstanding individual performances were made by seniors Jaime Simon, Tom Doerr, Chris Skillington, and Ed Peters; juniors Mike Ermer, Roger Sosa, Gordon Robinson, and Tim McCaffrey; sophomores John Gillespie, Dan Lesicko, John Trunko, and Chris Horner; and freshmen novices Mike Geraty and Bob Sosa.

The team has worked with great diligence over the last year; its accomplishments are apparent in the multitude of well-deserved awards. The Chaminade Forensics Department continues to successfully develop a great wealth of speech talent at the school.

NHS Honors Successful Juniors And Seniors

The Marie Brinkman chapter of the National Honor Society had only nine members during the first semester but grew to a total membership of twenty-eight during January. The NHS holds an induction ceremony during January of every year. The ceremony for 1975 included the induction of nine new seniors and ten new juniors in addition to speeches by the four officers who were elected from among the original nine seniors in the 1974 NHS. Mr. Thomas Coates, class of '67, spoke to the assembled student body about the "spirit of scholarship."

The purpose of the NHS is to honor those students who have already achieved noticeable success in the areas of character, leadership, scholarship, citizenship, and service. The NHS at Chaminade is not so much an organization or activity like student council or campus ministry, but simply an award given to superior students. While some scorn the NHS for not having more constructive duties, the truth is that the members must already, by definition, be involved in other school activities before joining the NHS.

Radio-Science Renewed
Wheel-*men Initiated*

There are four other not so well known but important clubs at Chaminade. These, like the others in this section, add to the diversity of the Chaminade family.

The arrival of Bro. Leo Scholz at Chaminade brought a renewed interest in the Radio-Science Club. By meeting after school in room 212 and practicing Morse code, radio repair, and other radio-related skills, Bro. Scholz taught students from his years of experience in ham radio. In addition, several movies were obtained and shown in the Little Theater after school to all interested students.

The student relations board, under the leadership of its president, Chris Griesedieck and its moderator, Mr. J. Finder, fulfilled its function of straightening out student-faculty conflicts.

Chaminade's Art Club, moderated by Mrs. Carol Prag, helped boost enthusiasm by the manufacturing of spirit ribbons during the football season and posters during basketball.

A new club, the *wheel*-men, was started this year. These ecology minded young men prefer to move in a more natural way; they go on bike hikes. With the help of moderators Mr. Schriewer, Bro. Galantowicz, and Mr. Donohue, the Chaminade tradition was wheeled on by these students. When asked why the *wheel*-men have so many moderators, it was said that they trade off leading the pack because none of the moderators can complete the entire hike.

Mother's And Father's Clubs Profit School

Chaminade has and always has had a family environment. Because of this the Mothers' and Fathers' club naturally assume an important function at Chaminade.

In October the Mothers' Club sponsored the annual House Tour. During lunch, which was served at school, the possibility of buying various items which were donated was afforded by the Flea Market and Boutique. This year the event, as in the past, was a great success in terms of funds gathered and general enjoyment of all concerned.

November saw the annual Fathers-Son Banquet with guest speaker Jack Buck. During the banquet came the announcement that Bro. Frank Klapp would be leaving his position as Administrator-Director next year.

In January the Fathers' Club also sponsored Monte Carlo Night. Finally in April the Mothers' Club sponsored the financially successful Country Auction which accured approximately $20,000.

The 1974-75 officers of the Fathers' Club were Mr. Roy Saunders, President; Mr. Richard Gastorf, Past President; Judge William Corrigan, President-Elect; Mr. Val Terschluse, First Vice-President; Mr. J. Wilbur Grass, Second Vice-President; Mr. Oliver Heck, Secretary; and Mr. Thomas Ricci, Treasurer. The officers of the Mothers' Club were Mrs. Richard E. Fister, President; Mrs. James J. Hackett, Past President; Mrs. Jacob Kissling, President-Elect; Mrs. Nade Peters, Corresponding Secretary; Mrs. William Moorkamp, Recording Secretary; and Mrs. Joseph Roddy, Treasurer.

Resident Students Live The Chaminade Family Spirit

A very important but almost unrecognized part of the Chaminade family is the resident student department. In its beginning, Chaminade enrolled only resident students. It was several years before Chaminade enrolled its first day students and still another decade before day students outnumbered the boarders. In recent years some people have simply considered boarders a "dying species" instead of recognizing their importance as a unique part of the Chaminade family. The resident students have a chance not just to go to school with their Chaminade "brothers" and join them in activities but also to live with them on a full time basis. They have a wide choice of friends from among the diversity of personalities offered by the two dorms, Waldron and Canning Halls.

Many who are not aquainted with resident students might ask about their life outside of the 8:30-3:00 school time. They actually are quite well off when it comes to free time. How many day students can play basketball games with forty guys after dinner in a gym like the Athletictron? Residents also may use the pool for a free swim and water polo after dinner on weeknights.

Senior resident students: *(First Row)* Logan Presnell, Don Arceri, Pete Malench, Felix Milfeld, Francisco Calzada, Pat Ferrara, Juan-Ignacio Montesinos; *(Second Row)* Asst. Prefect Mike Heck, David Lim, John Ferrara, Bob Snyders, Mark Braue, Gene Carey, and Prefect Bro. Denis Naeger.

Seniors Excell In Sports, Debate And Pranks

If there ever has been a senior division that will be remembered for years to come at Chaminade, the class of 1974-75 is that class. Among other achievements, the Varsity Football team, led by Don Arceri, Kevin Haar, Tim McGonagle, and Andy Stoll, finished with an 8-2 record, good for second place in the CAC, despite serious injuries to many of the team starters.

The Varsity Soccer team had its best season in the history of the school. Led by Bob Flood, Tom Bluth, and Pat Callahan, among others, the soccer team won the District Title, and finished third in State Playoffs.

Jamie Simon was designated as the number one debator in the state; and the Swimming team, led by Pete Malench, Mark Braue, Chris Ruesch, and Jack Quade, finished in the top ten in State Competition for the seventh consecutive season.

This year's senior class will be remembered as well for its senior prank, which may have been the most clever ruse in he school's history. It consisted of a letter sent home to the students advertising a non-existant lecture to be given at St. Joseph's Academy on space technology by Neil Armstrong. Unfortunately, the letter was sent a day early, and arrived too early at the students' homes to work effectively.

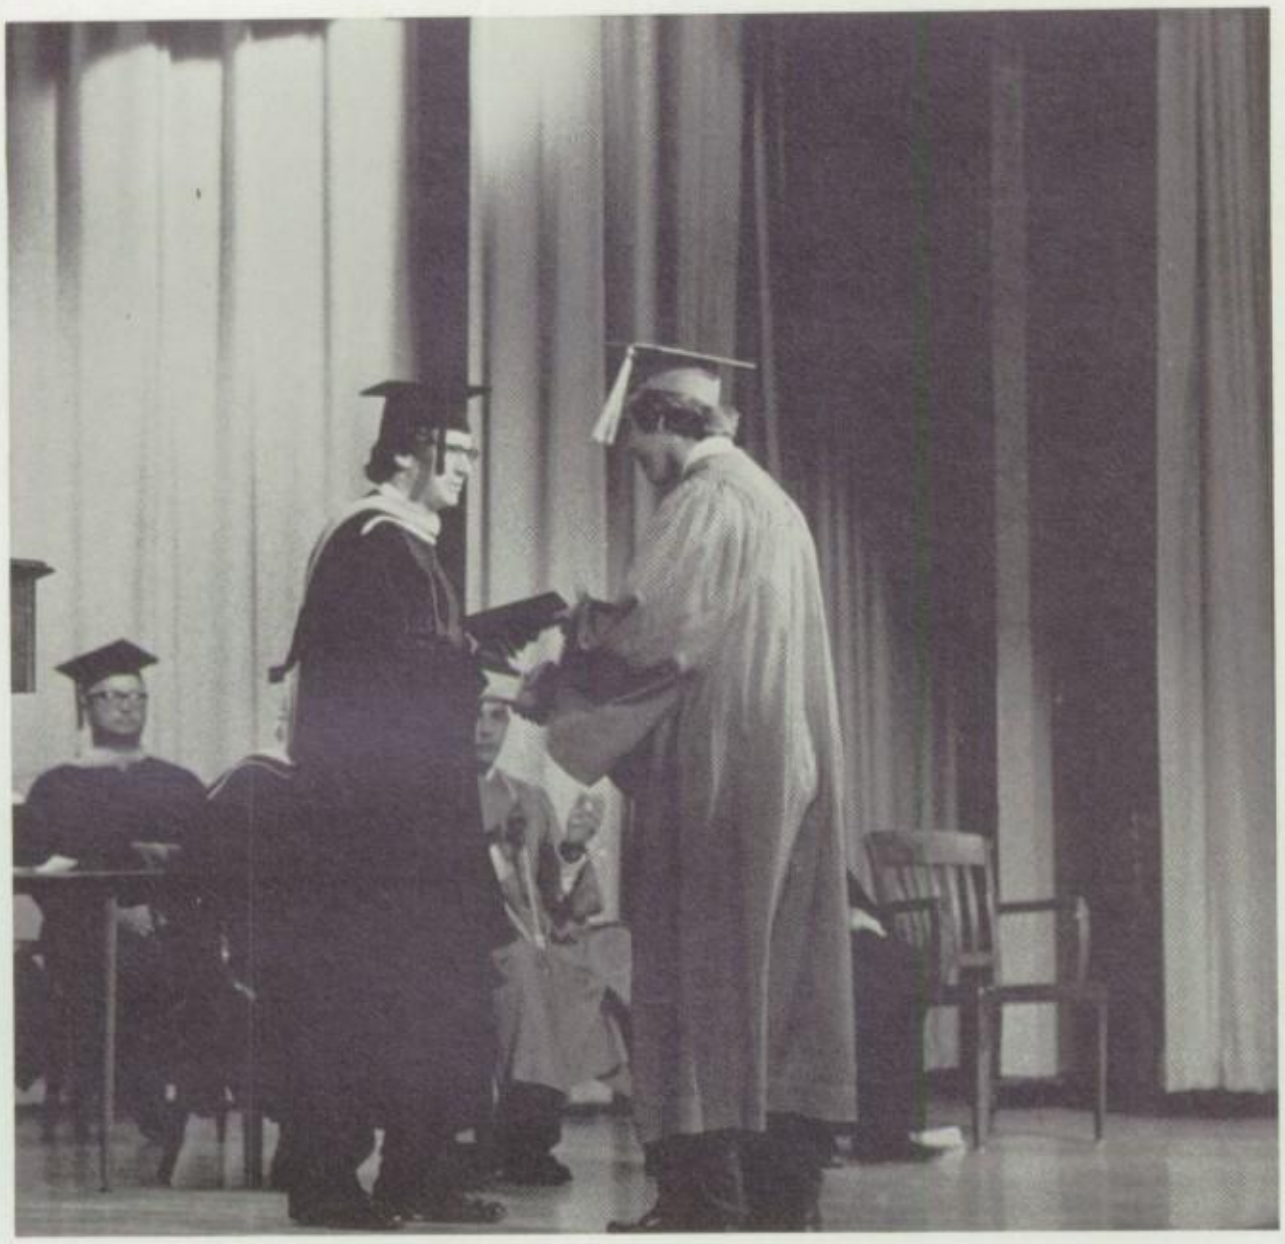
Visitation From "Above" Marks Senior Awards Day

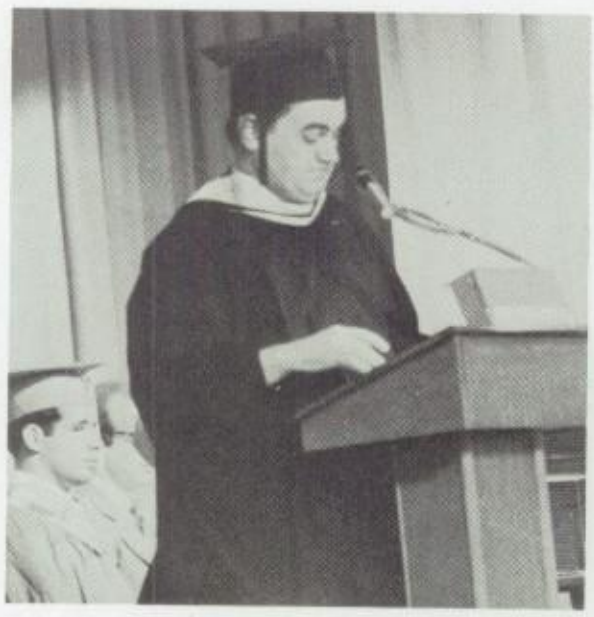
Two major events lead up to graduation each year. They are the annual Baccalaureate Mass-Mother's-Son's Breakfast and the Senior Awards Day Ceremony. This year each senior wrote his own mass and Fr. Osborne picked out the best parts of each, then he used these for the real Baccalaureate Mass. Each senior was also given a red and white boutonniere to pin on his mother.

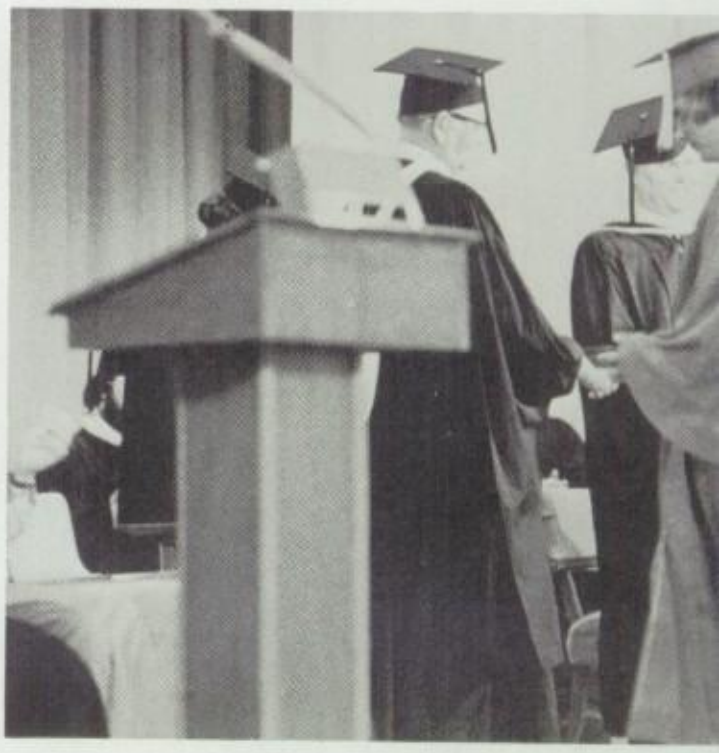
A breakfast follows the mass each year, in the school cafeteria. The student council officers sit at the head table with their mothers. This year, President Kevin Haar spoke and expressed the thanks of the senior class to the Mother's Club for their financial support of Chaminade.

Friday morning brings with it the annual Senior Awards Day Ceremony. This year, all went smoothly except for one unexpected interruption when two birds flew into the gym and around the student body. When these visitors from on high found their way out, everything continued until Brother Frank Klapp said his good-bye to the student body. His final gesture was the breaking of his "sword" (meter stick) that seniors from his class remember with painful but happy memories. This was a fitting finale for the ceremony.

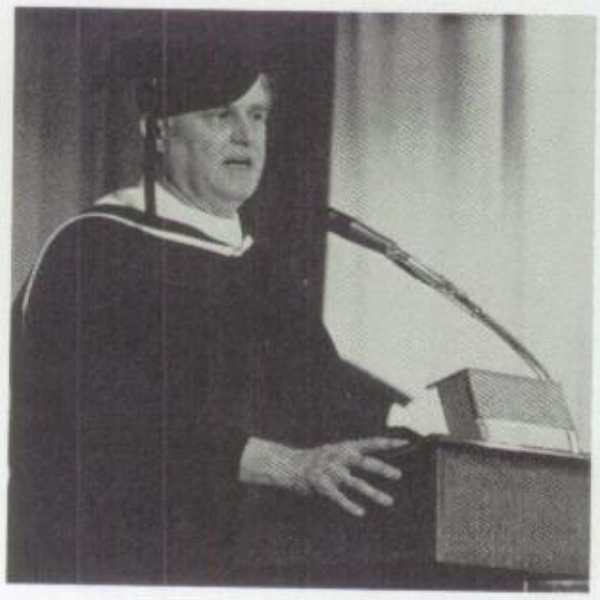


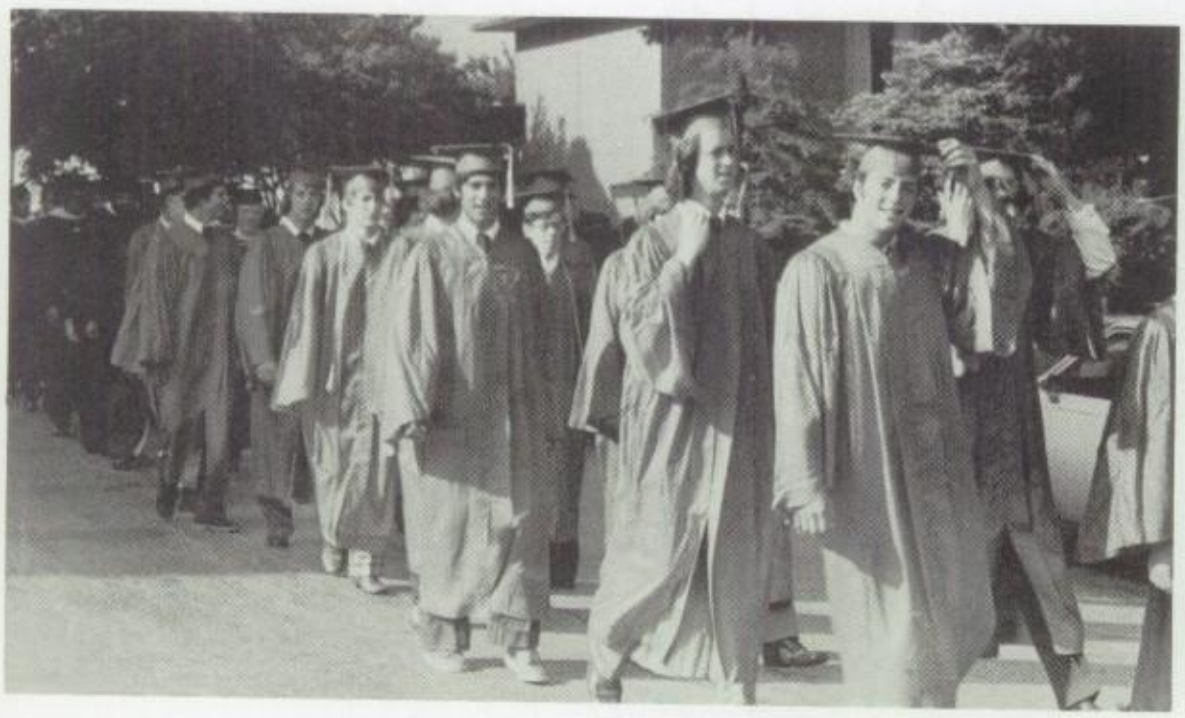
(Above, far left) Mr. Schmiehausen presents Bart Castelli with the medal for Art; *(Above, left)* Bro. Naeger presents Daniel Abel with a service award for Campus Ministry; *(Above)* Awards Day guest speaker, Mr. Dan Osborne, '70 tells of his days at Chaminade; *(Left)* Students Rick Anderson and John Grundhauser prepare to receive achievement awards in Computer Math.





(Below) Seniors file into Juergens Hall for the last time; when they leave they will be alumni; *(Right)* Brother Frank Klapp says farewell and promises to attend the class's ten year reunion in 1985; *Above right)* Bro. Leo Willett introduces valedictorian Joe Viviano; *(Above, far right) Esto Vir* winners Kevin Haar and Kevin Pritchett are congratulated on their achievement; a dual *Esto Vir* Award is indeed a rarity in Chaminade's past and speaks highly of these two graduates and their class.





Two Esto Vir *Awards Given At Graduation*

If one were to forget all his days at Chaminade but one, that one would be graduation. This year's ceremony was no exception. It was decided that in order to emphasize the academic nature of Chaminade, this year's speaker should be from the field of education. Therefore, Dr. Arthur Mallory, Commissioner of Elementary and Secondary Education for the State of Missouri, gave the commencement address.

Since this year was Brother Frank Klapp's last at Chaminade, it was proper that he award the diplomas to the graduates. The students with the two highest averages over the last four years have the honor of being Valedictorian and Salutatorian. This year's Valedictorian was Joe Viviano, who spoke about the qualities of the class and of Chaminade. Gene Casey was the Salutatorian and spoke of the development of the students through the years.

When it came time to present the *Esto Vir* award, there were two surprises. First, there were two recipients of the 1975 *Esto Vir* award: Kevin Pritchett and Kevin Haar. Secondly, there was an "honorary" *Esto Vir* award presented to Tom Dewes. It was a very memorable ceremony.

February 20, 1975

Dear Parents,

On *Monday, February 24, 1975,* your son will have the opportunity for a unique educational experience.

Appollo astronaut, Neil Armstrong, will deliver a lecture entitled: "The United States Space Program — Past, Present, and Future," at St. Joseph's Academy, 2307 South Lindbergh.

All Chaminade students have been invited to attend.

If your son wishes to participate in the program he should report to the auditorium at St. Joseph's Academy no later than 8:30 Monday morning. Attendance will be taken.

If your son does not wish to participate in the program he should report to Chaminade where work will be assigned.

Students will be expected to observe the dress code.

Special arrangements have been made to transport the students back to Chaminade where classes will resume.

Please accept my apologies for the short notice, for we have just received definite confirmation of Mr. Armstrong's appearance.

Special thanks goes to Father Osborne, and his Senior action committee, for without them this assembly would not have been possible.

If you have any questions concerning the program feel free to call me at 993-4400.

Yours in Mary,
Bro. Leo Willett

A Family Grows, Learns, And Builds

Preparing for the future, yet
remembering the past,
celebrating joys, yet
suffering tragedies,
being one, yet
being different, but
always growing,
never ending,
such is the nature of
our family.

Seniors grow to become alumni, but they never really leave,
and new blood will join us next year,
learning from our mistakes and building on what we learned . . .

FOR YOUR INFORMATION

The 1975 *Cardinal* was printed by the American Yearbook Company, Topeka, Kansas, in offset lithography. The first sixteen pages and the end sheets are Contempore slate grey, with the other 152 pages of Stipple-tone paper. Body copy is ten point Century Schoolbook with captions in eight point, subheads in 14 point, and headlines in 24 point. The cover is storm grey in color with shrunken leather grain and a black overtone rub. Seven hundred eighty copies were printed at a cost of $6,136.30.

Consumatum Est . . .

Well, here is the *Cardinal,* late *again!* We could make excuses, like we could only use the office twice a week because of newspaper meetings, or we had an inexperienced staff, or photography was slow, or . . ., all are perpetual problems that all yearbook staffs have to fight. Just remember when you get your book, and you look at it for a couple of days, and you file it away on your shelf at home, that work was begun on that book fifteen months before you received it. The 1970 *Cardinal* staff determined that over 7000 man-hours are necessary to make a good yearbook, and that was 5 years ago.

Many things were changed this year, and new effects were added to the book. The new cover design, a welcome change, was drawn by Larry Wuerz. All the layouts can be attributed to the artistic hands of Terry Conway (Layout Editor), Joe Powers, and Dean Pidgeon. Special thanks goes to Steve Santen for his help in designing page 17. We also thank Fr. Osborne and Bro. Willett for their help in financial and contract matters. Lastly, we are indebted to Dr. Viviano for printing, over the summer months, many of the pictures in the 1975 *Cardinal.*
